**Caleb's Story (Sarah, Plain and Tall) By Patricia MacLachlan**

**The third book in the series that began with the Newbery Medal-winning *Sarah, Plain and Tall* by Patricia MacLachlan.**

*Anna has done something terrible. She has given me a journal to fill.*

"It's your job now," Anna says as she hands Caleb her journals, asking him to continue writing the family story. But Sarah, Jacob, Anna, Caleb, and their new little sister, Cassie, have already formed a family, and Caleb fears there will be nothing left to write about. That is, before Cassie discovers a mysterious old man in the barn, and everything changes. Everyone is excited about the arrival of a new family member—except for Jacob, who holds a bitter grudge. Only the special love of Caleb, and the gift he offers, can help to mend the pain of the past.

### Editorial Review

#### From Publishers Weekly

Taking over the reins from his sister Anna, who narrated *Sarah, Plain and Tall* and *Skylark*, Caleb describes the event in this heartwarming third installment, in which Jacob is reunited with his father. As the novel opens, readers meet Cassie, the baby whom Sarah carries in *Skylark*; the country is at war in Europe; and Anna leaves home to work for a doctor in town and gives Caleb the responsibility of recording the family events. While Jacob drives his older daughter to town, Cassie spots a man on the property. Thinking it's one of Cassie's imaginary friends, Caleb ignores her until he sees the man for himself. When Jacob returns, the mystery of the man's identity is revealed, and wounds from the past begin to slowly heal. In an uplifting subplot, Caleb discovers why Jacob's father did not correspond with his son all the years he was away and begins to set things right. The narrative cribs liberally from Anna's entries in *Skylark*, but fans of the first two books will enjoy learning more about this resourceful and loving family. Ages 8-10.

#### From School Library Journal

Gr 4-6-In this third book in the series begun in *Sarah, Plain and Tall* (HarperCollins, 1985), Caleb is given the responsibility of writing down everything that happens on the farm now that his older sister Anna has gone to live in town to finish school. At first, he thinks there will be nothing to write about, but when an old man appears in the middle of winter, the family's quiet life is suddenly disrupted. The stranger turns out to be Caleb's grandfather, who left when the boy's father, Jacob, was young. While Jacob allows him to stay, he refuses to forgive or even speak to the man. Caleb slowly realizes that his grandfather is illiterate, and he teaches him how to read and write. It takes his efforts and a near-tragedy to reconcile the differences between the men. Readers who are new to the Witting family will quickly become acquainted with the events of the past through the excerpts of Anna's journals that Caleb shares with his grandfather. Despite some heavy elements, MacLachlan manages to provide some lighter moments and humor through Cassie, the baby who was about to be born at the end of *Skylark* (HarperCollins, 1994), and who is now a lively and inquisitive child. This is an excellent work of historical fiction, a satisfying sequel, and an inspiring tale about love and forgiveness.

#### From Booklist

Gr. 3-5. This third installment in the *Sarah Plain and Tall* (1985) series is a novelization of MacLachlan's 1999 television screenplay, "Winter's End." The time is 1918, and Anna has moved to town to finish high school, leaving Caleb to record the family saga. When a stranger appears at the farm, Sarah invites him inside and learns that he is John Witting, Jacob's father, who abandoned his family many years before. As Caleb and Cassie get to know their grandfather, Sarah tries unsuccessfully to broker reconciliation between the two men. Finally, Caleb discovers the reason behind some of the friction (Grandfather, who is illiterate, wasn't able to write to Jacob after he left), paving the way for forgiveness and new understanding.

MacLachlan's spare yet elegant prose conveys the deep feelings of the characters as they work through a difficult time. Four-year-old Cassie, Sarah and Jacob's daughter, brings a certain innocence to the story and helps the drama stay focused on the child's point of view. Series fans will welcome this, but it's also a solid

offering that can stand on its own. *Kay Weisman*

## Users Review

### From reader reviews:

#### Deborah Hayes:

What do you consider book? It is just for students because they are still students or the item for all people in the world, what best subject for that? Just you can be answered for that question above. Every person has various personality and hobby for every other. Don't to be compelled someone or something that they don't desire do that. You must know how great and also important the book Caleb's Story (Sarah, Plain and Tall). All type of book could you see on many methods. You can look for the internet options or other social media.

#### Gerald Morin:

Reading a guide tends to be new life style on this era globalization. With studying you can get a lot of information that could give you benefit in your life. With book everyone in this world can easily share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their particular reader with their story as well as their experience. Not only situation that share in the textbooks. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors nowadays always try to improve their talent in writing, they also doing some investigation before they write with their book. One of them is this Caleb's Story (Sarah, Plain and Tall).

#### Ladonna Warren:

That e-book can make you to feel relax. This particular book Caleb's Story (Sarah, Plain and Tall) was colourful and of course has pictures around. As we know that book Caleb's Story (Sarah, Plain and Tall) has many kinds or category. Start from kids until young adults. For example Naruto or Private eye Conan you can read and believe you are the character on there. So , not at all of book are make you bored, any it offers up you feel happy, fun and relax. Try to choose the best book to suit your needs and try to like reading that will.

#### Eileen Moore:

A lot of publication has printed but it takes a different approach. You can get it by web on social media. You can choose the very best book for you, science, witty, novel, or whatever by searching from it. It is known as of book Caleb's Story (Sarah, Plain and Tall). You can add your knowledge by it. Without making the printed book, it could add your knowledge and make anyone happier to read. It is most significant that, you must aware about reserve. It can bring you from one location to other place.
