**Eagle Strike (Alex Rider Adventure)** By Anthony Horowitz

**Alex Rider is an orphan turned teen superspy who's saving the world one mission at a time—from #1 *New York Times* bestselling author!**

Sir Damian Cray is a philanthropist, peace activist, and the world's most famous pop star. But still it's not enough. He needs more if he is to save the world. Trouble is, only Alex Rider recognizes that it's the world that needs saving from Sir Damian Cray. Underneath the luster of glamour and fame lies a twisted mind, ready to sacrifice the world for his beliefs. But in the past, Alex has always had the backing of the government. This time, he's on his own. Can one teenager convince the world that the most popular man on earth is a madman bent on destruction—before time runs out?

From the author of *Magpie Murders* and *Moriarty*.

## Editorial Review

### Amazon.com Review

Anthony Horowitz's enormously popular series about the world's premier teenage spy, returns for another round with secret agent Alex Rider fighting ingenious villains and charming every girl he meets. *Eagle Strike*, Horowitz's fourth fictional foray into the world of British spy agency MI6, starts out calmly enough as Alex and his lovely companion, Miss Sabina Pleasure, vacation with her family in the south of France. But before you can say Goldfinger, Alex spots his old nemesis, renowned assassin Yassen Gregorovich, on the beach. What Alex discovers is a plan so diabolical that it makes all of his previous adventures seem like a stroll in the Queen Mum's garden. Alex must fight to keep Gregorovich from executing the plans of a mysterious and murderous madman--an operation code named "Eagle Strike." He will just have to face down a few minor complications first: a virtual reality game that inflicts real pain; a fleet of Porche 911 GT3-driving hit men; and even a near fatal brush with death aboard the most famous aircraft in the world, Air Force One. But he'll persevere, or his name isn't Rider: Alex Rider. *Eagle Strike*, like all of the ridiculously fun Alex Rider adventures, is a pure guilty pleasure from start to finish. Even the most reluctant of readers won't be able to resist Alex's Bond-like ingenuity and charisma. Anthony Horowitz is a master of pacing, and as Alex swings from one cliff-hanging chapter to the next, Horowitz proves that you don't have to be Shakespeare to pen a crackerjack plot! --*Jennifer Hubert*

### From School Library Journal

Grade 5-10--Alex Rider, a 14-year-old secret agent who has worked for MI6--British military intelligence--returns for his fourth adventure. Vacationing in France with his girlfriend, Sabina Pleasure, and her parents, Alex spots Yassen Gregorovich, a known assassin, and senses something isn't quite right. Before long, Sabina's journalist father is injured in an "accidental" bombing and Alex is thrown into another mystery that involves a devious scheme to annihilate the world. In this heart-racing novel, Horowitz combines fast-paced action with ingenious gadgets that Alex either has on his side or is forced to battle against. The straightforward writing will appeal to a wide audience; the story is intricate enough to entertain older readers, but accessible to younger ones as well. For anyone who has enjoyed Alex's previous adventures, *Eagle Strike* will prove just as good if not better, and for those who haven't been introduced to this young spy, this book will certainly get them addicted and anxiously awaiting the next installment.--*Leigh Ann Morlock, Vernonia School District, OR*

### From [Booklist](#)

Gr. 7-12. Alex Rider, reluctant teen MI6 operative, is back for another adventure, complete with a missile-loaded getaway bicycle and a man who wants to destroy not the whole world but just the parts of it that grow or manufacture illegal drugs, such as heroin and cocaine. The action begins after Alex recognizes a Russian assassin very much out of place in the sleepy French town where Alex is vacationing, and the ensuing chase takes the dynamic hero through a life-size video game before ending with an airport-runway save involving American nuclear weapons and *Air Force One*. Once again, Horowitz tells a tight story, and his knack for descriptive action drives readers through the very accessible plot. Teens need not have read previous Rider adventures to enjoy this one. *Cindy Welch*
