## Enlightened By Joanna Chambers

The cruelest duel may not spill a drop of blood...but it could break their hearts. Enlightenment, Book 3 Five months ago, David Lauriston was badly hurt helping his friend Elizabeth escape her violent husband. Since then, David has been living with his lover, Lord Murdo Balfour, while he recuperates. Despite the pain of his injuries, David's time with Murdo has been the happiest of his life. The only things that trouble him are Murdo's occasional bouts of preoccupation, and the fact that one day soon, David will have to return to his legal practice in Edinburgh. That day comes too soon when David's friend and mentor takes to his deathbed, and David finds himself agreeing to take on a private mission in London. Murdo is at his side in the journey, but a shocking revelation by Murdo's ruthless father leaves David questioning everything they've shared. As tensions mount and the stakes grow higher, David and Murdo are forced to ask themselves how far they're prepared to go-and how much they're prepared to give up-to stay together. And whether there's any chance of lasting happiness for men like them. Warning: Men in love, men with secrets, and men armed with dueling pistols.

### Editorial Review

#### About the Author

Joanna Chambers always wanted to write. In between studying, finding a proper grown up job, getting married and having kids, she spent many hours staring at blank sheets of paper and chewing pens. That changed when she rediscovered her love of romance and found her muse. Joanna's muse likes red wine, coffee and won't let Joanna clean the house or watch television.
