## Kodansha's Furigana Japanese-English Dictionary By Masatoshi Yoshida, Yoshikatsu Nakamura

Browsing through the pages of *Kodansha's Furigana Japanese-English Dictionary*, you will notice something different: none of the Japanese entry words appearing in this book have been romanized. Some people may be surprised by this feature, especially in that the book is seen as suitable for even absolute beginners. Others (particularly the Japanese-language instructors who pointed out the need for such a publication) will be delighted to find that a full-fledged furigana Japanese-English dictionary is finally available.

What is furigana and why is it so important?

Furigana refers to the small kana that are printed above or alongside kanji to show the pronunciation of the Chinese character. With furigana superscripts, the beginner who is familiar with hiragana and katakana is able to read even the most difficult and obscure kanji at a glance. Other publications either provide little or no guide to kanji readings or romanize some or all the Japanese words and sentences. Previously, romanized Japanese dictionaries were of some value to students using textbooks that contained no Japanese script. Recently, however, an increasing number of influential curriculums around the world are based on a rationale and methodology that demands the introduction of hiragana and katakana from the earliest stages. Learners and their teachers studying under such curriculums will inevitably feel more comfortable with a dictionary like *Kodansha's Furigana Japanese-English Dictionary*, one that shows the pronunciation of kanji with familiar and authentic kana script.

But it does not end there. The comprehensive 16,000-word basic vocabulary comprises a generous and balanced selection of native Japanese words, kanji compounds, and foreign loanwords. Precise and informative definitions, written specifically for English speakers, offer expert guidance on points of grammar, meaning, style, orthography, pronunciation, and punctuation. Concise and insightful explanations clarify even the most troublesome cultural terms. In addition there are 50,000 sample sentences that provide a context-based understanding of how words are linked together to form authentic and natural Japanese sentences.

Features that help expand word power and increase vocabulary skills have also been included in *Kodansha's Furigana Japanese-English Dictionary*. Common collocations, derivatives, and compounds show how word parts fit and work together. Comprehensive cross-referencing makes the learner aware of common synonyms and antonyms, clarifying both meaning and usage. Finally, three appendices explain in detail such complicated areas as conjugating verbs and adjectives, counting, and articulating foreign place names in Japanese.

All of this and more in a portable format and at affordable price. *Kodansha's furigana Japanese-English Dictionary* is the essential dictionary for all students of Japanese.

### **Editorial Review**

#### **About the Author**

Yoshida is a Kodansha International author.

### **Users Review**

#### **From reader reviews:**

##### **Christine McClellan:**

What do you with regards to book? It is not important along with you? Or just adding material when you require something to explain what the ones you have problem? How about your extra time? Or are you busy person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have spare time? What did you do? All people has many questions above. The doctor has to answer that question because just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need this specific Kodansha's Furigana Japanese-English Dictionary to read.

##### **Sophia Whitfield:**

People live in this new moment of lifestyle always aim to and must have the extra time or they will get great deal of stress from both way of life and work. So , when we ask do people have spare time, we will say absolutely indeed. People is human not really a robot. Then we request again, what kind of activity do you possess when the spare time coming to anyone of course your answer may unlimited right. Then do you ever try this one, reading books. It can be your alternative in spending your spare time, typically the book you have read is Kodansha's Furigana Japanese-English Dictionary.

##### **Clara Gay:**

Within this era which is the greater man or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple way to have that. What you are related is just spending your time not much but quite enough to possess a look at some books. On the list of books in the top list in your reading list is Kodansha's Furigana Japanese-English Dictionary. This book which can be qualified as The Hungry Inclines can get you closer in turning into precious person. By looking right up and review this book you can get many advantages.

##### **Patricia Meyer:**

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just little students that has reading's internal or real

their hobby. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Kodansha's Furigana Japanese-English Dictionary can make you really feel more interested to read.
