## Mastering the Nikon D7100 By Darrell Young

*Mastering the Nikon D7100* by Darrell Young provides a wealth of experience-based information and insights for owners of the new D7100 camera. Darrell is determined to help the user navigate past the confusion that often comes with complex and powerful professional camera equipment.

This book explores the features and capabilities of the camera in a way that far surpasses the user's manual. It guides readers through the camera features with step-by-step setting adjustments; color illustrations; and detailed how, when, and why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user-friendly manner, with suggestions for setup according to various shooting styles.

Darrell's friendly and informative writing style allows readers to easily follow directions, while feeling as if a friend dropped in to share his knowledge. The learning experience for new D7100 users goes beyond just the camera itself and covers basic photography technique.

### **Editorial Review**

#### **About the Author**

Darrell Young (DigitalDarrell) is a professional nature photographer and an active member of Nikon Professional Services (NPS), Professional Photographers of America (PPA), and North American Nature Photography Association (NANPA). He's been an avid photographer since 1968 when his mother gave him a Brownie Hawkeye camera.

Darrell has used Nikon cameras and Nikkor lenses since 1980. He has an incurable case of Nikon Acquisition Syndrom (NAS) and delights in working with Nikon's newest digital cameras.

Living in the foothills of Great Smoky Mountains National Park has given him a real concern for natural environmental issues and a deep interest in nature photography.

He loves to write, as you can see in the Resources area of the Nikonians.org community. He joined the community in 2000 and his literary contributions led to an invitation to become Founding Member of the Nikonians Writers Guild.
