## The Gospel Call and True Conversion (Recovering the Gospel) By Paul Washer

The apostle Paul gave the gospel the first place in his preaching, endeavored with all his might to proclaim it clearly, and even went so far as to pronounce a curse upon all those who would pervert its truth. Yet how sad it is that many, even among those considering themselves evangelicals, have reduced the gospel message to a few trite statements to be repeated, and view conversion as a mere human decision. In *The Gospel Call and True Conversion*, Paul Washer challenges such easy believism as he examines the real meaning of things like faith, repentance, and receiving Christ. He also deals extensively with the effects of saving grace that God promises in the new covenant; namely, the creation of new hearts and new people.

### Editorial Review

#### Review

In an age awash with easy believism, we need voices like Paul Washer's that remind us of *The Gospel Call and True Conversion*. We are all tempted to believe that we are beyond the basics and in need of something more something new. However, Washer reminds us that there is nothing more important and more relevant than getting the gospel right, making the gospel clear, and trusting that gospel to do its work of calling, saving, and securing a people to God and for God. Praise God for the gospel and books like this that help us know, understand, and love it more deeply. --Voddie Baucham, pastor of preaching at Grace Family Baptist Church in Spring, Texas, and author of *The Ever-Loving Truth*

Being a Christian is not just a matter of making a decision for Jesus or turning over a new leaf. It is a miracle of grace in which a sinner is brought by God's power from death to life. In *The Gospel Call and True Conversion*, Paul Washer brilliantly and clearly helps the reader understand that truth, carefully opening the Scriptures and explaining how the power of the gospel ought to impact our lives as Christians. A much-needed, pastoral, and challenging book! --Greg Gilbert, senior pastor of Third Avenue Baptist Church in Louisville, Kentucky, and author of *What Is the Gospel?*

By God's sovereign grace, Paul Washer's ministry has been particularly blessed to instruct this generation in the basics of true conversion and the gospel call. I highly commend this careful but simple treatment of these vital issues. May God bless it to the preparation of His people to share the gospel of peace and to the salvation of many persons. --Sam Waldron, academic dean and professor of systematic theology at the Midwest Center for Theological Studies, Owensboro, Kentucky
