9 Keys to Successful Audits By Denise Robitaille

Auditing is one of the elements that makes your quality management system complete. It fits snugly into the check component of your plan-do-check-act cycle. Auditing isn't a haphazard or optional occurrence that you tolerate to maintain certification. It's an invaluable assessment tool that provides a reliable indicator of the integrity of your organization's system and processes. This book presents nine keys that will help your organization reap benefits from its auditing (internal or external) program:

- * Plan and prepare.
- * Drive fear out of the audit program.
- * Ensure adequate training.
- * Create effective checklists.
- * Hone your interviewing skills.
- * Manage the audit team.
- * Write an informative audit report.
- * Take action on audit findings.
- * Report back to top management.
