Charmed By Michelle Kryz

The sequel to HEXED--the spellbindingly sexy two-book series about a teenage witch in L.A. by Michelle Kryz, author of DEAD GIRLS SOCIETY.

THERE'S ONLY ONE PLACE PAIGE COULD BE. AND IT'S NOT ON THIS EARTH.

Indie has spent the last few weeks frantically searching for Paige. She's tried every spell imaginable, but witchcraft has gotten her nowhere, and she's going crazy with guilt. Despite what her warlock boyfriend, Bishop, tells her, Indie knows it's her fault her best friend was kidnapped by the Priory. And with the Priory destroyed, finding Paige feels more hopeless than ever—especially when Indie discovers that Paige isn't even on Earth. She's trapped in Los Demonios, an alternate dimension of Los Angeles filled with evil paranormals. No one who has gone there has ever come out.

Indie is desperate to find a way into the underworld prison. She'll worry about getting out later. But facing the dark world's most dangerous witches and warlocks on her own means keeping her plan hush-hush—and forging alliances with some sketchy people, including a seriously sexy sorcerer.

Sometimes a witch must keep secrets from the people she cares about most. And sometimes she isn't the only one with secrets. . . .

Editorial Review

From School Library Journal

Gr 9 Up—Former cheerleader Indigo Blackwood is still exploring her newly awakened supernatural powers after an epic battle over a magic witch's bible left in her family's care has left her mother dead and Indie in the care of her reformed party-animal aunt. After getting caught up in an ancient witch and sorcerer rivalry, Indigo's childhood friend Paige is banished to a hellscape alternate dimension of Los Angeles called Los Demonios. Paige's family has had their memories erased and are unconcerned about their missing daughter, while Indie's aunt Penny and boyfriend Bishop are convinced that postapocalyptic Los Demonios is far too dangerous for them to attempt a rescue. Forced to carry out her rescue mission in secret, Indigo experiences a brief flirtation with warlock Cruz that makes her question her relationship with Bishop and uncovers a deadly sorcerer plot that threatens teens kidnapped from Los Angeles. Indigo must also grapple with some shocking secrets about her supernatural heritage. VERDICT Kryss's sequel to *Hexed* (Delacorte, 2014) wraps up everything fairly neatly, while still laying the groundwork for future novels in the series with hints of a school for witchcraft and wizardry in New York.—Madigan McGillicuddy, Atlanta-Fulton Public Library, Atlanta, GA

About the Author

MICHELLE KRYSS is the author of *Hexed* and *Charmed* and the highly anticipated *Dead Girls Society*, coming November 2016. When she’s not writing books for teens, Michelle moonlights as a NICU nurse. Michelle is probably not a witch, though she did belong to a witchcraft club in the fifth grade and “levitated” people in her bedroom, so that may be up for debate. She lives in Thunder Bay, Ontario, Canada, with her family.
