Grant and Lee: A Study in Personality and Generalship By J.F.C. Fuller

"... cuts squarely across the accepted tradition... Fuller examines these two great soldiers from a fresh viewpoint and refuses to let himself be bound by tradition." ?New York Times Book Review

"... readable, instructive, stimulating, and... controversial as when first published." ?Military Review

First published fifty years ago, Fuller's study of Ulysses S. Grant and Robert E. Lee remains one of his most brilliant and durable works, Grant and Lee is a compelling study not only of the two men, but also of the nature of leadership and command in wartime.

Editorial Review

From the Back Cover

First published fifty years ago, this analysis of the generalship of Ulysses S. Grant and Robert E. Lee remains one of the most readable histories of the Civil War. The author began his research sharing the generally held assumption that Lee was a great general and Grant a clumsy 'butcher.' By the time Fuller completed his project, however, he regarded Grant as the greatest general of his age and one of the greatest strategists of any age. *Grant and Lee* is a compelling study not only of two remarkable men but also of the nature of leadership and command in wartime.

Users Review

From reader reviews:

Bridget Dell:

As people who live in often the modest era should be revise about what going on or info even knowledge to make them keep up with the era which is always change and progress. Some of you maybe can update themselves by looking at books. It is a good choice for yourself but the problems coming to you is you don't know which you should start with.
