Editorial Review

Review

"This newly-illustrated edition of an avowed children's favorite has all the makings of a classic match-up: Milne had Shepard, Carroll had Tenniel, and now Dahl has Smith...author and illustrator were made for each other, and it's of little consequence that it took almost 35 years for them to meet" --"Kirkus."

"From the Hardcover edition."

From the Inside Flap

Roald Dahl's children's classic will be rediscovered with wonder and delight in this handsome gift edition with all-new black-and-white illustrations by Caldecott Honor Book artist Lane Smith (who also designed the characters for the Disney animated film). How James escapes from his miserable life with two nasty aunts and becomes a hero to his new insect family, including Miss Spider, the Old-Green-Grasshopper, the Centipede (with his 21 pairs of gorgeous boots), is "Dahl-icious fantasy at its best" This newly-illustrated edition of an avowed children's favorite has all the makings of a classic match-up: Milne had Shepard, Carroll had Tenniel, and now Dahl has Smith...author and illustrator were made for each other, and it's of little consequence that it took almost 35 years for them to meet" --"Kirkus."

About the Author

Roald Dahl (1916-1990) was born in Wales of Norwegian parents. He spent his childhood in England and, at age eighteen, went to work for the Shell Oil Company in Africa. When World War II broke out, he joined the Royal Air Force and became a fighter pilot. At the age of twenty-six he moved to Washington, D.C., and it was there he began to write. His first short story, which recounted his adventures in the war, was bought by The Saturday Evening Post, and so began a long and illustrious career.

After establishing himself as a writer for adults, Roald Dahl began writing children's stories in 1960 while living in England with his family. His first stories were written as entertainment for his own children, to whom many of his books are dedicated.

Roald Dahl is now considered one of the most beloved storytellers of our time. Although he passed away in 1990, his popularity continues to increase as his fantastic novels, including James and the Giant Peach, Matilda, The BFG, and Charlie and the Chocolate Factory, delight an ever-growing legion of fans.
