Wilderness explorer Jubal Sackett was the son of Barnabas Sackett, the first of that name to come to the New World. Jubal feared no man, nor backed away from any challenge. His fierce determination to blaze new trails took him across the vast savage North America continent where no white man had been before. Living and fighting among the Indian tribes, Jubal Sackett forged a legend as powerful medicine man they called "Ni'kwana, master of mysteries." And with Itchakomi, the proud Natchez princess, he walked the path of courage that future Sacketts would follow.

From the Inside Flap

Filled with action, adventure, mystery, and historical detail, the Sackett saga is an unforgettable achievement by one of America's greatest storytellers. In Jubal Sackett, the second generation of this great American family pursues a destiny in the wilderness of a sprawling new land.
