Poorly Drawn Lines: Good Ideas and Amazing Stories By Reza Farazmand

A New York Times Bestseller • "Walks the line between deeply poignant and laugh-out-loud funny." —Matthew Inman, creator of The Oatmeal and *New York Times* bestselling author

Life is weird. Embrace it.

A bear flies through space. A hamster suffers a breakdown. A child marvels at the wonder of nature as worms emerge from the ground to look for vodka (as they always have). Elsewhere, a garden snake is arrested by animal control and jailed for home invasion. These are common occurrences in the world of Reza Farazmand's wildly popular webcomic, *Poorly Drawn Lines*. Traveling from deep space to alternate realities to the bottom of the ocean, this collection includes fan favorites alongside never-before-seen comics and original essays. For the first time, Farazmand shares his inimitable take on love, nature, social acceptance, and robots.
