The King of Attolia (The Queen's Thief Book 3) By Megan Whalen Turner

Discover the world of the Queen's Thief

New York Times-bestselling author Megan Whalen Turner's entrancing and award-winning Queen's Thief novels bring to life the world of the epics and feature one of the most charismatic and incorrigible characters of fiction, Eugenides the thief. Megan Whalen Turner's Queen's Thief novels are rich with political machinations and intrigue, battles lost and won, dangerous journeys, divine intervention, power, passion, revenge, and deception. Perfect for fans of Leigh Bardugo, Marie Lu, Patrick Rothfuss, and George R. R. Martin.

Eugenides, no stranger to desperate circumstances, has gotten himself into difficulties he can't get out of. Used to being treated with a certain measure of wariness, if not respect, he suffers the pranks, insults, and intrigue of the Attolian court with dwindling patience. As usual, nothing is as it appears when he rescues a hot-headed young soldier in the Palace Guard. The Queen's Thief novels have been praised by writers, critics, reviewers, and fans and have been honored with glowing reviews, "best of" citations, and numerous awards, including the Los Angeles Times Book Prize, a Newbery Honor, the Andre Norton Award shortlist, and the Mythopoeic Fantasy Award. Discover and rediscover the stand-alone companions, *The Queen of Attolia*, *The King of Attolia*, *A Conspiracy of Kings*, and *Thick as Thieves*, all epic novels set in the world of the Queen's Thief.

This edition of *The King of Attolia* includes "Wine Shop," an exclusive story about Eugenides by Megan Whalen Turner, an introduction to the characters from the world of the Queen's Thief, and a map of the world of the Queen's Thief.

"The Queen's Thief books awe and inspire me. They have the feel of a secret, discovered history of real but forgotten lands. The plot-craft is peerless, the

revelations stunning, and the characters flawed, cunning, heartbreaking, exceptional. Megan Whalen Turner's books have a permanent spot on my favorites shelf, with space waiting for more books to come."—Laini Taylor, *New York Times*-bestselling author of the *Daughter of Smoke and Bone* novels and *Strange the Dreamer*

"Unforgettable characters, plot twists that will make your head spin, a world rendered in elegant detail—you will fall in love with every page of these stories. Megan Whalen Turner writes vivid, immersive, heartbreaking fantasy that will leave you desperate to return to Attolia again and again."—Leigh Bardugo, *New York Times*-bestselling author of the *The Grisha Trilogy* and *Six of Crows*

"One of the most fascinating and original children's fantasies to appear in years. . . . Rarely does one see a hero as psychologically knowing and irresistibly attractive as Turner's Thief."—*The Horn Book* (starred review)

"A winner."—*Kirkus Reviews* (starred review)

"Eugenides, the former Thief of Eddis, is back and just as clever as ever."—*School Library Journal* (starred review)

Editorial Review

From School Library Journal

Starred Review. Grade 7 Up—Fans whove been waiting for six long years for the sequel to *The Queen of Attolia* (2000) and *The Thief* (1996, both HarperCollins) can finally rejoice. Eugenides, the former Thief of Eddis, is back and just as clever as ever. As King of Attolia after literally stealing and marrying the Queen, he must convince the rest of her court and her subjects that he deserves his title. The Attolians think hes an idiot whos being used by the Queen. They refuse to believe that he and Irene could honestly love one another, considering that shes responsible for having his hand cut off. His attendants and guards mock him behind his back and play pranks on him, all the while thinking that hes too spineless and incompetent to protest. That is, until a guard named Costis punches him in the face and knocks him down. Beheading is the usual penalty for such a transgression but Eugenides devises a better punishment. It is through Costiss eyes that readers see how he and the court consistently underestimate the shrewd young man. This third book in the series continues to involve political intrigue, espionage, and attempted assassination but is less concerned with the fighting between kingdoms that dominated the previous book. Instead, it explores the complex and very romantic relationship between the monarchs. Although it does stand alone, to appreciate the amazingly charismatic and beguiling character of Eugenides fully, its best to read the titles in order.—Sharon Rawlins, *NJ Library for the Blind and Handicapped, Trenton*

Gr. 8-11. Fans of the irascible Thief of Eddis will recall that Gen and his frosty nemesis, Attolia, exchanged vows of love in *The Queen of Attolia* (2000). This second follow-up to Turner's 1997 Newbery Honor Book, *The Thief*, follows the turbulent months just after their union, primarily from the perspective of Gen's reluctant personal assistant, Costis, who despises the "goat-footed throne-stealing interloper" as much as the rest of Attolia's insubordinate court. Gradually, though, Costis gleans that there is more to King Gen than his oafish, irascible behavior would suggest. Turner's wide-ranging, third-person narrative tantalizingly limits readers' access to Gen, leaving readers to sift truth from Gen-masterminded subterfuge and to weigh his detractors' prejudices undiluted. The challenge of internalizing so many new characters may halt some readers, and many will mourn the replacement of concrete, action-oriented exploits with this situation's more subtle courtly and diplomatic stratagems. Staunch fans of Turner's roguish hero, particularly those who enjoyed the middle-grade-friendly *Thief* several years ago and whose reading capabilities have ripened, will reap the greatest rewards here. *Jennifer Mattson*
