NRM1 Cost Management Handbook By David P Benge

The definitive guide to measurement and estimating using NRM1, written by the author of NRM1

The 'RICS New rules of measurement: Order of cost estimating and cost planning of capital building works' (referred to as NRM1) is the cornerstone of good cost management of capital building works projects - enabling more effective and accurate cost advice to be given to clients and other project team members, while facilitating better cost control.

The *NRM1 Cost Management Handbook* is the essential guide to how to successfully interpret and apply these rules, including explanations of how to:

- quantify building works and prepare order of cost estimates and cost plans
- use the rules as a toolkit for risk management and procurement
- analyse actual costs for the purpose of collecting benchmark data and preparing cost analyses
- capture historical cost data for future order of cost estimates and elemental cost plans
- employ the rules to aid communication
- manage the complete 'cost management cycle'
- use the elemental breakdown and cost structures, together with the coding system developed for NRM1, to effectively integrate cost management with Building Information Modelling (BIM).

In the *NRM1 Cost Management Handbook*, David Benge explains in clear terms how NRM1 is meant to be used in familiar quantity surveying tasks, as well as a range of activities of crucial importance for professionals in years to come. Worked examples, flow charts, diagrams, templates and check lists ensure readers of all levels will become confident and competent in the use of NRM1. This book is essential reading for anyone working with NRM1, and is the most authoritative guide to practice available for those preparing to join the industry.

Editorial Review

About the Author

David P. Benge is a Fellow of the Royal Institution of Chartered Surveyors (RICS) with over 30 years experience as a quantity surveyor and educator. As Head of Quality Management at Gleeds, international management and construction consultants, David focuses on service improvement for all aspects of quantity surveying and project management activities – with a worldwide remit. Through Gleeds, he provides quality consulting services and training on the use and application of the NRM suite of measurement rules. David authored both the first and second editions of *NRM1* for the RICS and was co-author and executive technical editor on both *NRM2* and *NRM3*.

Users Review

From reader reviews:

Patricia Joyner:

Here thing why this kind of NRM1 Cost Management Handbook are different and dependable to be yours. First of all looking at a book is good nonetheless it depends in the content than it which is the content is as delicious as food or not. NRM1 Cost Management Handbook giving you information deeper since different ways, you can find any guide out there but there is no publication that similar with NRM1 Cost Management Handbook. It gives you thrill reading through journey, its open up your personal eyes about the thing that happened in the world which is might be can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your method home by train. When you are having difficulties in bringing the branded book maybe the form of NRM1 Cost Management Handbook in e-book can be your alternative.

William Reynolds:

Information is provisions for people to get better life, information nowadays can get by anyone from everywhere. The information can be a expertise or any news even a huge concern. What people must be consider while those information which is inside the former life are hard to be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you have the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take NRM1 Cost Management Handbook as your daily resource information.

Eva Solares:

Playing with family in the park, coming to see the ocean world or hanging out with buddies is thing that usually you will have done when you have spare time, and then why you don't try factor that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love NRM1 Cost Management Handbook,

you are able to enjoy both. It is great combination right, you still desire to miss it? What kind of hang type is it? Oh can happen its mind hangout people. What? Still don't obtain it, oh come on its called reading friends.

Amanda Bernard:

In this time globalization it is important to someone to get information. The information will make someone to understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher which print many kinds of book. The actual book that recommended for your requirements is NRM1 Cost Management Handbook this e-book consist a lot of the information in the condition of this world now. This particular book was represented how does the world has grown up. The language styles that writer make usage of to explain it is easy to understand. The actual writer made some exploration when he makes this book. That is why this book acceptable all of you.
