## Spy: The Inside Story of How the FBI's Robert Hanssen Betrayed America

By David Wise

**Spy** tells, for the first time, the full, authoritative story of how FBI agent Robert Hanssen, code name grayday, spied for Russia for twenty-two years in what has been called the “worst intelligence disaster in U.S. history”—and how he was finally caught in an incredible gambit by U.S. intelligence.

David Wise, the nation’s leading espionage writer, has called on his unique knowledge and unrivaled intelligence sources to write the definitive, inside story of how Robert Hanssen betrayed his country, and why.

**Spy** at last reveals the mind and motives of a man who was a walking paradox: FBI counterspy, KGB mole, devout Catholic, obsessed pornographer who secretly televised himself and his wife having sex so that his best friend could watch, defender of family values, fantasy James Bond who took a stripper to Hong Kong and carried a machine gun in his car trunk.

Brimming with startling new details sure to make headlines, **Spy** discloses:

-the previously untold story of how the FBI got the actual file on Robert Hanssen out of KGB headquarters in Moscow for \$7 million in an unprecedented operation that ended in Hanssen’s arrest.

-how for three years, the FBI pursued a CIA officer, code name gray deceiver, in the mistaken belief that he was the mole they were seeking inside U.S. intelligence. The innocent officer was accused as a spy and suspended by the CIA for nearly two years.

-why Hanssen spied, based on exclusive interviews with Dr. David L. Charney, the psychiatrist who met with Hanssen in his jail cell more than thirty times. Hanssen, in an extraordinary arrangement, authorized Charney to talk to the author.

-the full story of Robert Hanssen’s bizarre sex life, including the hidden video camera he set up in his bedroom and how he plotted to drug his wife, Bonnie, so

that his best friend could father her child.

- how Hanssen and the CIA's Aldrich Ames betrayed three Russians secretly spying for the FBI—including tophat, a Soviet general—who were then executed by Moscow.

-that after Hanssen was already working for the KGB, he directed a study of moles in the FBI when—as he alone knew—he was the mole.

Robert Hanssen betrayed the FBI. He betrayed his country. He betrayed his wife. He betrayed his children. He betrayed his best friend, offering him up to the KGB. He betrayed his God. Most of all, he betrayed himself. Only David Wise could tell the astonishing, full story, and he does so, in masterly style, in **Spy**.

*From the Hardcover edition.*

### **Editorial Review**

#### **From Publishers Weekly**

Four previous books have attempted to unravel the mystery of how and why FBI staffer Robert Hanssen was able to sell secrets to the KGB for almost 22 years. None, however, have been as penetrating as this account by veteran spy author Wise (*The Invisible Government*), whom Hanssen himself reportedly called "the best espionage writer around." Using a career's worth of contacts in the FBI and CIA, as well as exclusive access to Hanssen's defense psychiatrist, Wise presents a comprehensive portrait of Hanssen's life as a spy and the government's quest to uncover and prosecute him. Further, Wise reveals that the FBI's problems with internal traitors began as far back as 1962, with a tip from a KGB informant; that mole was never found. Years later, the FBI identified another internal spy, but bungled its surveillance; that spy was quietly "eased out" of the bureau and the entire affair kept out of the newspapers. And in the Hanssen case, a certain CIA agent was wrongly identified as the mole and suspended from duty for almost two years. By contextualizing Hanssen and providing an insider's account of the hunt that finally apprehended him, Wise covers aspects of the case that have been largely neglected to date. Well researched and ably written, this book is, so far, the definitive account of Hanssen's betrayal of the United States.

#### **From Library Journal**

Many books about FBI counterintelligence agent Robert Hanssen have already been published, including David A. Vise's *The Bureau and the Mole* and Elaine Shannon's *The Spy Next Door*. While the story of how Hanssen was tracked down is certainly interesting, it is even more intriguing to speculate why this conservative Catholic with a modest lifestyle would betray us to the Soviets. Journalist Wise, who wrote *The Spy Who Got Away*, a similar book about escaped CIA traitor Edward Lee Howard, interviewed Hanssen's case psychiatrist and thus provides considerable informed discussion about motive. Was it for the money to support his big family, the thrill of playing a dangerous game, or to get back at a never-satisfied father? Hanssen apparently walked right into a Soviet office in 1979, which leads to the question whether the CIA and FBI were watching this office—and if not, why not? Recommended for the espionage collections of public and academic libraries. (Photos and index not seen.)—Daniel K. Blewett, Coll. of DuPage Lib., Glen Ellyn, IL

#### **Review**

Praise for David Wise

### **Molehunt**

“David Wise is a master at penetrating the invisible government. We won’t read a better book about this aspect of the Cold War.” —Seymour M. Hersh

“A brilliant, fascinating account of the CIA’s greatest trauma—whether it had been penetrated by agents of the KGB. It tied the Agency into knots for two decades, but the evidence outlined by David Wise now reveals that it was only a phantom. Paranoia is sometimes said to be the prerequisite for good counterintelligence—but the CIA’s history suggests that it can become its Achilles’ heel as well.” —William E. Colby

### **The Spy Who Got Away**

“The most important book on intelligence since **The Invisible Government** . . . with the suspense and tension-building that you expect in John le Carré’s fiction.” —Ronald L. Ostrow, *Los Angeles Times Book Review*

*From the Hardcover edition.*

## Users Review

### From reader reviews:

#### **Brandon Riddle:**

Are you kind of occupied person, only have 10 or perhaps 15 minute in your day to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your limited time to read it because this time you only find guide that need more time to be read. *Spy: The Inside Story of How the FBI's Robert Hanssen Betrayed America* can be your answer because it can be read by an individual who have those short extra time problems.

#### **Valerie Gray:**

Beside this kind of *Spy: The Inside Story of How the FBI's Robert Hanssen Betrayed America* in your phone, it could possibly give you a way to get more close to the new knowledge or info. The information and the knowledge you can got here is fresh from your oven so don't end up being worry if you feel like an old people live in narrow community. It is good thing to have *Spy: The Inside Story of How the FBI's Robert Hanssen Betrayed America* because this book offers to your account readable information. Do you at times have book but you rarely get what it's facts concerning. Oh come on, that wil happen if you have this within your hand. The Enjoyable blend here cannot be questionable, such as treasuring beautiful island. Techniques you still want to miss the item? Find this book in addition to read it from at this point!

#### **Edith Manning:**

This *Spy: The Inside Story of How the FBI's Robert Hanssen Betrayed America* is brand new way for you who has attention to look for some information because it relief your hunger details. Getting deeper you upon it getting knowledge more you know or else you who still having bit of digest in reading this *Spy: The Inside Story of How the FBI's Robert Hanssen Betrayed America* can be the light food for yourself because the information inside this kind of book is easy to get simply by anyone. People who think that in book form make them feel sleepy even dizzy this publication is the answer. So there is not any in reading a book especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book variety for your better life along with knowledge.

#### **Joyce Jiminez:**

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library as well

as to make summary for some book, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Spy: The Inside Story of How the FBI's Robert Hanssen Betrayed America can make you really feel more interested to read.
