## The Catastrophic History of You and Me By Jess Rothenberg

An addictively page-turning debut for fans of *Before I Fall* and *The Fault in Our Stars*

Brie is the “biggest, cheesiest, sappiest romantic” who believes that everyone will find their perfect someone, so when Jacob, the love of Brie’s life, tells her he doesn’t love her anymore, the news breaks her heart, *literally*, and she dies. But now that she’s D&G (dead and gone), Brie revisits the living world to discover that her family has begun to unravel and her best friend has been keeping an intimate secret about her boyfriend. Somehow, Brie must handle all of this while navigating through the five steps of grief with the help of Patrick, her mysterious bomber-jacketed guide to the afterlife. But how is she supposed to face the Ever After with a broken heart and no one to call her own?

"The debut is a fast, twisty, highly dramatic read about the turbulent nature of love."--*Romantic Times*

"Rothenberg explores what happens in the afterlife when you aren't quite done with your life."--*San Francisco Chronicle*

"The funniest, sweetest, most heartfelt, sigh-worthy and oh-so-romantic story I've ever read. You'll love it!"--Cynthia Leitich Smith, *New York Times* bestselling author of *Eternal and Blessed*
