### The Dream Giver By Bruce Wilkinson

Bestselling author Bruce Wilkinson shows how to identify and overcome the obstacles that keep millions from living the life they were created for. He begins with a compelling modern-day parable about Ordinary, who dares to leave the Land of Familiar to pursue his Big Dream. With the help of the Dream Giver, Ordinary begins the hardest and most rewarding journey of his life. Wilkinson gives readers practical, biblical keys to fulfilling their own dream, revealing that there's no limit to what God can accomplish when we choose to pursue the dreams He gives us for His honor.

### Editorial Review

From Publishers Weekly

Like Richard Bach's 1970 classic, *Jonathan Livingston Seagull*, this little guide by the bestselling author of the *Prayer of Jabez* franchise is a story about pursuing one's dreams. But it aims to be a "practical and innovative guide to achieving your Big Dream" as well. The first part of Wilkinson's slender book is the fable of a person searching for what's missing in his life. A "Nobody named Ordinary who lived in the Land of Familiar," he decides, finally, to pursue his higher calling; he encounters-and overcomes-many obstacles along the way. In the second part of the book, Wilkinson plays the role of a Dream Coach, counseling readers on how to achieve their own Big Dreams though facing their fears, enduring hardships, surrendering to God and realizing their full potential. Looking back to moments in the tale of Ordinary, Wilkinson reemphasizes and reiterates the lessons learned by his everyman, employing personal anecdotes, scripture and impassioned prose. The book speaks plainly of achieving lofty goals and overcoming conflict, and the message of the parable may touch the hearts of readers who need a spiritual push. But it may also strike some as overly simplistic, since the tone veers towards childish at times ("We've all seen how Bullies work. Remember, they react primarily because you have disturbed their Comfort Zone. They feel threatened. They feel losing something important-their security or routine, their assumptions about success. Maybe they feel that they're losing you"). That said, those who need warm, enthusiastic encouragement should find it here.

### From reader reviews:

#### **Gerald Conway:**

Do you one among people who can't read satisfying if the sentence chained inside straightway, hold on guys this particular aren't like that. This The Dream Giver book is readable by simply you who hate those straight word style. You will find the details here are arrange for enjoyable studying experience without leaving perhaps decrease the knowledge that want to provide to you. The writer involving The Dream Giver content conveys prospect easily to understand by a lot of people. The printed and e-book are not different in the content material but it just different available as it. So , do you nevertheless thinking The Dream Giver is not loveable to be your top record reading book?

#### **Linda Mays:**

A lot of people always spent all their free time to vacation or go to the outside with them friends and family or their friend. Were you aware? Many a lot of people spent they free time just watching TV, or maybe playing video games all day long. If you need to try to find a new activity honestly, that is look different you can read some sort of book. It is really fun for yourself. If you enjoy the book that you simply read you can spent the whole day to reading a reserve. The book The Dream Giver it is quite good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. In the event you did not have enough space to create this book you can buy typically the e-book. You can m0ore easily to read this book out of your smart phone. The price is not very costly but this book has high quality.

#### **Johnny Harper:**

Reading can called head hangout, why? Because when you are reading a book specially book entitled The Dream Giver your thoughts will drift away trough every dimension, wandering in each and every aspect that maybe not known for but surely can become your mind friends. Imaging every word written in a publication then become one application form conclusion and explanation which maybe you never get before. The The Dream Giver giving you one more experience more than blown away the mind but also giving you useful information for your better life on this era. So now let us explain to you the relaxing pattern here is your body and mind are going to be pleased when you are finished reading it, like winning a. Do you want to try this extraordinary spending spare time activity?

#### **James Wood:**

This The Dream Giver is great e-book for you because the content that is certainly full of information for you who always deal with world and get to make decision every minute. This book reveal it info accurately using great manage word or we can point out no rambling sentences in it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but tough core information with beautiful delivering sentences. Having The Dream Giver in your hand like having the

world in your arm, information in it is not ridiculous one. We can say that no e-book that offer you world with ten or fifteen tiny right but this reserve already do that. So , this is good reading book. Hello Mr. and Mrs. hectic do you still doubt that will?
