### Editorial Review

#### About the Author

Sabrina Jeffries is the *New York Times* and *USA TODAY* bestselling author of several Regency-set historical romance series, including the Royal Brotherhood, the School for Heiresses, the Hellions of Halstead Hall, the Duke's Men, and the Sinful Suitors. When she's not writing in a coffee-fueled haze, she's traveling with her husband, caring for her adult autistic son, or indulging in one of her passions: jigsaw puzzles, chocolate, music, and costume parties. With more than nine million books in print in twenty languages, the North Carolina author never regrets tossing aside a budding career in academics for the sheer joy of writing fun fiction and hopes that one day a book of hers will end up saving the world. She always dreams big.
