## Today is the Day Pocket Planner By Galison

This contemporary yet vintage-looking organizer makes a great gift for men or women young or old. It doesn't require an Internet connection or a battery, so it's handy at the desk, on the go, or even in your laptop bag. Galison's Today is the Day pocket planner looks like those old hardcover books with gold lettered-titles. Lettering and illustrations are by Jessica Hische. The Art Deco-inspired interior planner pages include full-page typographical illustrations of quotations by Emily Dickinson ("Forever is Composed of Nows"), Emily Bronte ("I've dreamt in my life dreams that have stayed with me"), John Gardner, Anthony D'Angelo, Ralph Waldo Emerson, and others. The spine reminds you to "write every day", and the back cover exhorts you to...MAKE IT HAPPEN. It's easier to make it happen when you've planned, and this little journal will help you do just that!
