## **Editorial Review**

From the Back Cover

### **Fundamentals of Financial Management: Cover Blurp**

Do you want to understand how financial decisions impact the value of a company? If you are new to financial management or studying for a professional qualification, this user friendly textbook makes the challenges facing today's rapidly changing business world easier to understand.

Now in its 13th edition, *Fundamentals of Financial Management* maintains its dedication to the financial decision-making process and the analysis of value creation, but develops a more international scope and introduces new topics into the debate. Current discussions on corporate governance, ethical dilemmas, globalization of finance, strategic alliances and the growth of outsourcing have been added with examples and boxed features to aid understanding and provide a more global perspective of financial management.

### **What's New?**

- Chapter 1 - Expanded coverage of Corporate Social Responsibility including the concept of Sustainability
- Chapter 6 – The discussion of financial statement analysis includes the push for convergence of accounting standards around the world
- Chapter 9 – Cash and marketable securities management material expanded and updated
- Chapter 24 - The updated chapter on International Financial Management includes discussion of Islamic sukuk bonds.

Ideal for introductory courses in financial management, for a professional qualification and as a reference for practitioners.

On the reading list for Association of Chartered Certified Accountants (ACCA) Qualification Paper (F9) Financial Management.

Suggested reading for Certified Management Accountant (CMA) examination.

Translated into over 10 languages and received 1st place among business academic texts in Pearson's top 50 best seller's translation list.

### **Quotations:**

“The book provides the reader with information about the current “hot-topics” in finance and has a clear emphasis on the basic principles of financial management without repetition. Furthermore, as simple language is used, the book can be easily understood by students that are not native speakers of English.”

--Axel-Adam Muller, Lancaster

“..a useful text either as preparation for a second year course, or as a text for a first year financial management course that provides a “first sweep” of the major financial management topics. Not many texts cover this ground well.”

-- Brian Wright, Exeter

“This is the best book I have found so far”

--Jean Bellemans, Free University of Brussels

### **Authors:**

James C. Van Horne, Professor of Banking and Finance at Stanford University. Also the author of *Financial Management and Policy*, a Pearson Education text.

John Wachowicz, Jr., Professor of Finance at The University of Tennessee.

### About the Author
