**Are you interested in social media success stories?** Here's a living your dreams story that should inspire everyone ? the living your dreams story of CyreneQ, a modern Cinderella fairy tale.

(See: "Here's how a 26 year-old is making up to \$30,000 per Snap on Snapchat", by Morgan Linton, co-founder of Fashion Metric, November 30, 2016)

**Creative snapchats & funny snapchat drawings:** The next time you are sitting in a long, boring meeting and your mind starts to wander might be the very moment you find your destiny. That is exactly what happened to Cyreneq who began doodling funny Snapchat drawings during a particularly snoozy conference room session. Soon after, she went on to rule that burgeoning social media platform with her Snapchat art and her funny Snapchat drawings. Cyrene Quiamco has become a prominent personality with her creative Snapchats on a social media platform that is designed to make content disappear. Since joining Snapchat, Quiamco (who goes by "CyreneQ" across most social media) has amassed a following for her whimsical Snapchat art ? from celebrity portraits to collages of Disney characters ? and interactive creative Snapchats. She engages her community with her highly imaginative and appealing art, quizzes, games and questions, transforming a series of short-lived snaps into a conversation. She's also the creator of The11thSecond.com, a blog and community for creators of Snapchat art to share their work off the platform. Award-winning CyreneqQ was recently nominated for the Shorty Award which recognizes the best in social media.

**Living your dreams ? Do what you love:** This modern fairy tale story (complete with Disney Princess self-portraits of the artist) starts in the Philippines where her family comes from. Cyrene gets her moxie, drive, spirit of

self-invention and incredible work ethic from her mom, whom she counts as a main inspiration to be fearless and go for living your dreams. As she puts it, "I've always been an artist ever since elementary school, but I didn't really know how to apply that to the real world." How she applied her artistry and originality to the modern world of social media is one of the most fantastic social media success stories of the 21st century.

**Do what you love the money will follow:** Cyrene's Cinderella "living your dreams" story is one that will have you dusting off your dreams. Cyreneq reminds us all of the power of our own imagination. Unleash that and nothing can stop you!
