Far too young, Apollo Ulfr lost Ilsa, his wife, the love of his life and the mother of his two children. The grief of her loss does not settle in his soul, it solders to it. But when he discovers there is a parallel universe where his wife may have a twin, he feels there's hope and sets about bringing her to his world so he can have her back. But Ilsa Ulfr of our world is married to the parallel universe's twin, Pol, who is not a good man. Not in any way. Editorial Review

About the Author

Kristen Ashley is a New York Times and USA Today bestselling author. She grew up in Indiana, but has lived in Colorado and the West Country of England. Thus she's been blessed to have friends and family around the globe. Her posse is loopy (to say the least), but loopy is good when you want to write. Kristen was raised in a house with a large and multi-generational family. They lived on a very small farm in a small town in the heartland and existed amongst the strains of Glenn Miller, The Everly Brothers, REO Speedwagon and Whitesnake (and the wardrobes that matched). Needless to say, living in a house full of music, clothes and love was a good way to grow up. And as she keeps growing up, it keeps getting better
