Deceiving Lies: A Novel (Forgiving Lies) By Molly McAdams

The irresistible, blazing-hot sequel to *New York Times* bestselling author Molly McAdams's *Forgiving Lies*

Rachel is supposed to be planning her wedding to Kash, the love of her life. After the crazy year they've had, she's ready to settle down and live a completely normal life. Well, as normal as it can be. But there's something else waiting—something threatening to tear them apart.

Kash is ready for it all with Rachel, especially if "all" includes having a football team of babies with his future wife. In his line of work, Kash knows how short life can be and doesn't want to waste another minute of their life together. But now his past as an undercover narcotics agent has come back to haunt him . . . and it's the girl he loves who's caught in the middle.

Trent Cruz's orders are clear: take the girl. But there's something about this girl that has him changing the rules and playing a dangerous game to keep her safe. When his time as Rachel's protector runs out, Trent will turn his back on the only life he's known—and risk everything if it means getting her out alive.

From [Booklist](#)

After leaving readers on the edge of their seats in the conclusion of *Forgiving Lies* (2013), McAdams continues Kash and Rachel's story here. Rachel is moving past the harrowing events that occurred in Texas and adjusting to her new life in Florida. She is learning to love Kash's family and is ready for their wedding, but she can't help but be saddened by the absence of her parents. Just as everything starts to settle into place for Kash and Rachel, their world is ripped apart when Rachel is kidnapped in an act of revenge from the time Kash spent undercover in the gang unit. The demands of the kidnappers are set, but Kash knows they can't be met. The clock is ticking, and Kash must find Rachel before she is taken away from him forever. This sequel is a passionate, sometimes violent story about two people trying to find their way back to each other. With its unexpected heroes and likable secondary characters, it will please McAdams' fans. --Patricia Smith
