Site Planning & Design ARE Mock Exam (SPD of Architect Registration Exam): ARE Overview, Exam Prep Tips, Multiple-Choice Questions and Graphic ... and Explanations (ARE Mock Exam series) By Gang Chen

A Practical Guide & Mock Exam for the Site Planning & Design (SPD) Division of the ARE !

Every July, NCARB begins to recreate the Architect Registration Examination (ARE) questions based on a new guide and scope. We always incorporate this latest information into our books.

To become a licensed architect, you need to have a proper combination of education and/or experience, meet your Board of Architecture's special requirements, and pass all seven divisions of ARE.

This book provides an ARE exam overview, suggested reference and resource links, exam prep and exam taking techniques, tips and guides, and a realistic and complete mock exam with solutions and explanations for the Site Planning & Design (SPD) Division of the ARE. More specifically this book covers the following subjects:

1. ARE, IDP, and Education Requirements
2. ARE Exam Content, Format, and Prep Strategies
3. Principles
4. Codes and Regulations
5. Environmental, Social & Economic Issues
6. Materials & Technology
7. Project & Practice Management
8. Site Grading
9. Site Design
10. Four Graphic Vignettes with Step-By-Step Solutions Using the NCARB Practice Program Software
11. Instructions on Installing Alternate dwg Files for Use with NCARB Software

12. Instructions on Saving and Installing Various Solution Files for Use with NCARB Software

The mock exam includes 65 challenging questions of the same difficulty level and format as the real exam (multiple-choice, check-all-that-apply, and fill-in-the-blank), and four graphic vignette solutions. This book will help you pass the SPD division of the ARE and become a licensed architect!

Can you study and pass the ARE Site Planning & Design (SPD) Exam in 2 weeks?

The answer is yes IF you study the right materials: If you have ZERO experience but read the right materials, you can pass with 2 weeks of prep.

If you study our book, "Site Planning & Design ARE Mock Exam," you have an excellent chance of studying and passing the ARE Site Planning & Design (SPD) Exam in 2 weeks. We have added many tips and tricks that WILL help you pass the exam on your first try. Our goal is to take a very complicated subject and make it simple. "Site Planning & Design ARE Mock Exam" will save you time and money and help you pass the exam on the first try!

Editorial Review

From the Author

ARE Mock Exam series by ArchiteG, Inc.

Time and effort is the most valuable asset of a candidate. How to cherish and effectively use your limited time and effort is the key of passing any exam. That is why we publish the ARE Mock Exam series to help you to study and pass the ARE exams in the shortest time possible. We have done the hard work so that you can save time and money. We do not want to make you work harder than you have to.

Do not force yourself to memorize many numbers. Read through the numbers a few times, and you should have a very good impression of them.

You need to make the judgment call: If you miss a few numbers, you can still pass the exam, but if you spend too much time drilling these numbers, you may miss the big pictures and fail the exam.

The official NCARB sample MC questions have no explanations, and the official NCARB sample vignettes have no step-by-step solutions. The existing ARE practice questions or exams by others are either way too easy or way over-killed. They do NOT match the real ARE exams at all.

We have done very comprehensive research on the official NCARB guides, many related websites, reference materials, and other available ARE exam prep materials. We match our mock exams vignettes questions as close as possible to the NCARB samples and the real ARE exams instead. Some readers had failed an ARE exam two or three times before, and they eventually passed the exam with our help.

All our books include a step-by-step solution to each of the NCARB sample vignette with screenshots and related NCARB software commands, a complete set of MC questions (except for the SD ARE mock exam) and vignettes matching the real ARE exams, including number of questions, format, type of questions, etc. We also include detailed answers and explanations to our MC questions, and a step-by-step solution to each of the mock vignettes with screenshots and related NCARB software commands. Our DWG files for our mock exam vignettes can also be installed and used with the NCARB software.

There is some extra information on ARE overviews and exam-taking tips in Chapter One. This is based on NCARB AND other valuable sources. This is a bonus feature we included in each book because we want our readers to be able to buy our ARE mock exam books together or individually. We want you to find all necessary ARE exam information and resources at one place and through our books.

All our books are available at
GreenExamEducation.com

Check out FREE tips and info for all ARE Exams at **GeeForum.com**, you can post jpeg files of your vignettes or your questions for other users' review.

About the Author

Gang Chen holds a master's degree from the School of Architecture, University of Southern California

(USC), Los Angeles, and a bachelor's degree from the School of Architecture, South China University of Technology. He has more than 20 years of professional experience. Many of the projects he was in charge of or participated in have been published extensively in *Architecture*, *Architectural Record*, *The Los Angeles Times*, *The Orange County Register*, and more. He has worked on a variety of unusual projects, including well-known, large-scale healthcare and hospitality projects with over one billion dollars in construction costs, award-winning school designs, highly-acclaimed urban design and streetscape projects, multifamily housing, high-end custom homes, and regional and neighborhood shopping centers.

Gang Chen is a LEED AP BD+C and a licensed architect in California. He is also the internationally acclaimed author of other fascinating books, including *Building Construction*, *Planting Design Illustrated*, the ARE Mock Exam series, and the LEED Exam Guides series, which includes one guidebook for each of the LEED exams. Donald Murphy:

Reading a book for being new life style in this year; every people loves to study a book. When you read a book you can get a wide range of benefit. When you read textbooks, you can improve your knowledge, due to the fact book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you need to get information about your examine, you can read education books, but if you want to entertain yourself look for a fiction books, this sort of us novel, comics, and also soon. The Site Planning & Design ARE Mock Exam (SPD of Architect Registration Exam): ARE Overview, Exam Prep Tips, Multiple-Choice Questions and Graphic ... and Explanations (ARE Mock Exam series) will give you new experience in reading through a book.

James Voyles:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Site Planning & Design ARE Mock Exam (SPD of Architect Registration Exam): ARE Overview, Exam Prep Tips, Multiple-Choice Questions and Graphic ... and Explanations (ARE Mock Exam series) can make you truly feel more interested to read.
