**Street Photography: 50 Ways to Capture Better Shots of Ordinary Life** By Eric Kim

Eric Kim is a street photographer whose blog and sold-out workshops have become today's most popular resources for aspiring "streettogs." Learn street photography from a master educator!

Street photography is fun, rewarding, and inexpensive. There is no need for the latest gadgets or trips to "exotic" places. Amazing images can be captured everywhere, all the time, and with the simplest equipment. All you need is a camera, an interest in ordinary people doing everyday things, and--of course--this book.

In *Street Photography*, acclaimed photographer Eric Kim shares everything you need to develop your own street photography skills: how to conquer your fear of shooting in public, tips on choosing your gear, and inspiring techniques to discover the beauty in the mundane. You'll learn how to chase the all-important "decisive moment," and even how to find your own style. As a bonus, you'll get insights from renowned street photographers Ludmilla Morais, Blake Andrews, Thomas Leuthard, and Kramer O'Neill.

Street photography is all about discovering the wonderful things most of us are too busy to notice. Let this book inspire you to hit the streets--and turn everyday moments into extraordinary photos!
