- Dipali Patwa, a designer and mom whose side project designing and selling infant clothing is now a sensation.
- A group of friends who met at a 6am Bible study class and went on to start a brewery that now generates millions in sales .

A successful 10% Entrepreneur himself, McGinnis explains the multiple paths you can follow to invest your cash, time, and expertise in a start-up—including as a founder, angel, adviser, or aficionado. Most importantly, you don't have to have millions in disposable income to become a 10% Entrepreneur. When you
