The Alchemist By Paulo Coelho

The Alchemist by Paulo Coelho continues to change the lives of its readers forever. With more than two million copies sold around the world, *The Alchemist* has established itself as a modern classic, universally admired.

Paulo Coelho's masterpiece tells the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found.

The story of the treasures Santiago finds along the way teaches us, as only a few stories can, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

Amazon.com Review

Like the one-time bestseller *Jonathan Livingston Seagull*, *The Alchemist* presents a simple fable, based on simple truths and places it in a highly unique situation. And though we may sniff a bestselling formula, it is certainly not a new one: even the ancient tribal storytellers knew that this is the most successful method of entertaining an audience while slipping in a lesson or two. Brazilian storyteller Paulo Coehlo introduces Santiago, an Andalusian shepherd boy who one night dreams of a distant treasure in the Egyptian pyramids. And so he's off: leaving Spain to literally follow his dream.

Along the way he meets many spiritual messengers, who come in unassuming forms such as a camel driver and a well-read Englishman. In one of the Englishman's books, Santiago first learns about the alchemists--men who believed that if a metal were heated for many years, it would free itself of all its individual properties, and what was left would be the "Soul of the World." Of course he does eventually meet an alchemist, and the ensuing student-teacher relationship clarifies much of the boy's misguided agenda, while also emboldening him to stay true to his dreams. "My heart is afraid that it will have to suffer," the boy confides to the alchemist one night as they look up at a moonless night.

"Tell your heart that the fear of suffering is worse than the suffering itself," the alchemist replies. "And that no heart has ever suffered when it goes in search of its dreams, because every second of the search is a second's encounter with God and with eternity." --*Gail Hudson*

From Publishers Weekly

This inspirational fable by Brazilian author and translator Coelho has been a runaway bestseller throughout Latin America and seems poised to achieve the same prominence here. The charming tale of Santiago, a shepherd boy, who dreams of seeing the world, is compelling in its own right, but gains resonance through the many lessons Santiago learns during his adventures. He journeys from Spain to Morocco in search of worldly success, and eventually to Egypt, where a fateful encounter with an alchemist brings him at last to self-understanding and spiritual enlightenment. The story has the comic charm, dramatic tension and psychological intensity of a fairy tale, but it's full of specific wisdom as well, about becoming self-empowered, overcoming depression, and believing in dreams. The cumulative effect is like hearing a wonderful bedtime story from an inspirational psychiatrist. Comparisons to *The Little Prince* are appropriate; this is a sweetly exotic tale for young and old alike. 50,000 first printing; \$50,000 ad/promo.

From School Library Journal

YA-- This simple, yet eloquent parable celebrates the richness of the human spirit. A young Spanish shepherd seeking his destiny travels to Egypt where he learns many lessons, particularly from a wise old alchemist. The real alchemy here, however, is the transmuting of youthful idealism into mature wisdom. The blending of conventional ideas with an exotic setting makes old truths seem new again. This shepherd takes the advice Hamlet did not heed, learning to trust his heart and commune with it as a treasured friend. Enjoyable and easy to read, this timeless fantasy validates the aspirations and dreams of youth.

This The Alchemist is great reserve for you because the content which can be full of information for you who also always deal with world and have to make decision every minute. This book reveal it info accurately using great coordinate word or we can say no rambling sentences inside it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but hard core information with splendid delivering sentences. Having The Alchemist in your hand like getting the world in your arm, facts in it is not ridiculous one. We can say that no book that offer you world within ten or fifteen second right but this guide already do that. So , this is good reading book. Hi Mr. and Mrs. occupied do you still doubt that?

Selma Lang:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The Alchemist can make you sense more interested to read.
