### Editorial Review

From Publishers Weekly

Kiyosaki draws upon the counsel of 21 of his closest big business pals to prepare his audience to properly assess property values, locate foreclosures, lower taxes and even find hidden investment opportunities. The book couldn't come at a more appropriate time, given the rising number of home foreclosures, and luckily seasoned narrators Jim Bond, Sandra Burr and Bruce Reizen make listening an enjoyable and personable experience. Many such guides fail to reach listeners because of their less than inspired narrations; this talented cast not only injects life into their respective readings, but also manage to get the point across without sounding the least bit robotic. *A Vanguard paperback (Reviews, May 25). ### About the Author

Born and raised in Hawaii, **Robert Kiyosaki** is a fourth generation Japanese-American. After graduating from college in New York, he joined the Marine Corps and served in Vietnam as an officer and helicopter gunship pilot. Following the war, he went to work in sales for Xerox Corporation and, in 1977, started a company that brought the first nylon and Velcro "surfer" wallets to market. He founded an international education company in 1985 that taught business and investing to tens of thousands of students throughout the world. In 1994, he sold his business and, through his investments, was able to retire at the age of forty-seven. During his short-lived retirement, he wrote *Rich Dad, Poor Dad* and coauthored *Why We Want You To Be Rich* with Donald Trump. He lives in Arizona.
