The Tragedy of King Richard III: The Oxford Shakespeare The Tragedy of King Richard III (Oxford World's Classics) By William Shakespeare

Richard III is one of Shakespeare's most popular plays on the stage and has been adapted successfully for film. This new and innovative edition recognizes the play's pre-eminence as a performance work: a perspective that informs every aspect of the editing. Challenging traditional practice, the text is based on the 1597 Quarto which, brings us closest to the play as it would have been staged in Shakespeare's theater. The introduction, which is illustrated, explores the long performance history from Shakespeare's time to the present. The commentary gives detailed explanation of matters of language, staging, text, and historical and cultural contexts, providing coverage that is both carefully balanced and alert to nuance of meaning. Documentation of the extensive textual variants is organized for maximum clarity: the readings of the Folio and the Quarto are presented in separate sections, and more specific information is given at the back of the book. Appendices also include selected passages from the main source and a special index of actors and other theatrical personnel.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.

Editorial Review

Review

`This is far and away the finest critical edition of the play available' Eric Rasmussen, Shakespeare Survey

About the Author

William Shakespeare (1564-1616) was an English poet and playwright widely regarded as the greatest writer of the English language, as well as one of the greatest in Western literature, and the world's pre-eminent dramatist.

Users Review

From reader reviews:

Jamie Brewer:

People live in this new time of lifestyle always aim to and must have the time or they will get large amount of stress from both daily life and work.
