Evernight By Claudia Gray

Bianca wants to escape.

She's been uprooted from her small hometown and enrolled at Evernight Academy, an eerie Gothic boarding school where the students are somehow too perfect: smart, sleek, and almost predatory. Bianca knows she doesn't fit in.

Then she meets Lucas. He's not the "Evernight type" either, and he likes it that way. Lucas ignores the rules, stands up to the snobs, and warns Bianca to be careful—even when it comes to caring about him.

"I couldn't stand it if they took it out on you," he tells Bianca, *"and eventually they would."*

But the connection between Bianca and Lucas can't be denied. Bianca will risk anything to be with Lucas, but dark secrets are fated to tear them apart . . . and to make Bianca question everything she's ever believed.

Editorial Review

From School Library Journal

Grade 8 Up—Bianca has been uprooted from her happy, uneventful life to start anew at an elite boarding school where her parents will now be professors. Even though Bianca doesn't feel that she is the Evernight type—rich, beautiful, or gifted—she knows that her parents feel this is best for her. She and Lucas Ross share a special connection from the moment they meet and he, like Bianca and a few others, is an outsider. He is a rebel who is on a mission to discover the secret behind Evernight Academy. As the weeks progress, their relationship heats up. What they don't realize, however, is that they each harbor a great secret that could divide them forever. Can their love survive the truth? Gray's writing hooks readers from the first page and reels them in with surprising plot twists and turns, and the open ending will keep them guessing and waiting on the edge of their seats for the next book in the series. A must-have for fans of vampire stories by Amelia Atwater-Rhodes, Stephenie Meyer, and the like.—*Donna Rosenblum, Floral Park Memorial High School, NY*

Well-dressed, private-school vampires are a growing trend in teen horror lit. Bloodsucking Gossip Girls have shown up in Melissa de la Cruz's Blue Bloods series, Richelle Mead's Vampire Academy books, and now in this debut, set in a spooky, exclusive boarding school. Sixteen-year-old Bianca is dreading her first day at Evernight Academy, where her parents have taken teaching positions. Then she meets handsome outsider Lucas, for whom she falls with quick intensity. Everyone at Evernight has secrets, even Bianca, and as her romance deepens, she risks revealing the otherworld identity of Evernight's glamorous population, even as she wonders if Lucas, too, is hiding something. Some logistical questions about the student body, composed of both vampires and humans, are left unanswered, and a few story threads, particularly about Evernight's headmistress, are left dangling; the ending leaves room for a sequel that may tie everything together. Still, Stephenie Meyer fans will find similar rewards in the flashes of humor; the terrifying battle between ancient, supernatural societies; and the steamy romance in which love bites aren't just a euphemism. Grades 8-11. -- Gillian Engberg

Review

“Teenage love, ancient hatred and a Romeo and Juliet-style feud fuel the fires in this compelling first-person drama.”

Users Review

From reader reviews:

Mary Richards:

Reading a reserve can be one of a lot of activity that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people love it. First reading a book will give you a lot of new facts. When you read a e-book you will get new information mainly because book is one of numerous ways to share the information as well as their idea. Second, examining a book will make an individual more imaginative. When you looking at a book especially hype book the author will bring you to definitely imagine the story how the people do it anything. Third, you can share your knowledge to other people. When you read this Evernight, you may tells your family, friends along with soon about yours e-book. Your

knowledge can inspire the mediocre, make them reading a e-book.

Georgette Tang:

The book Evernight has a lot of information on it. So when you make sure to read this book you can get a lot of benefit. The book was authored by the very famous author. McDougal makes some research ahead of write this book. This kind of book very easy to read you will get the point easily after reading this book.

Travis Pope:

Precisely why? Because this Evernight is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will zap you with the secret the idea inside. Reading this book close to it was fantastic author who also write the book in such incredible way makes the content within easier to understand, entertaining way but still convey the meaning fully. So , it is good for you for not hesitating having this any more or you going to regret it. This unique book will give you a lot of benefits than the other book include such as help improving your ability and your critical thinking technique. So , still want to postpone having that book? If I were you I will go to the publication store hurriedly.

Heather Stewart:

Are you kind of busy person, only have 10 or 15 minute in your time to upgrading your mind proficiency or thinking skill also analytical thinking? Then you are having problem with the book when compared with can satisfy your short space of time to read it because all this time you only find book that need more time to be read. Evernight can be your answer because it can be read by a person who have those short extra time problems.
