Maiden Flight (Dragon Knights Book 1) By Bianca D'Arc

War is coming for the dragon knights...but love may find them first.

Dragon Knights, Book 1

A chance meeting with a young male dragon seals the fate of one adventurous female poacher. The dragon's partner, a ruggedly handsome knight named Gareth, takes one look at the shapely woman and decides to do a little poaching of his own.

Sir Gareth both seduces and falls deeply in love with the girl who is not only unafraid of dragons but also possesses a rare gift—she can hear the beasts' silent speech. He wants her for his mate, but mating with a knight is no simple thing. To accept a knight, a woman must also accept the dragon, the dragon's mate...and her knight, Lars, too.

She is at first shocked, then intrigued by the lusty life in the Lair. But war is in the making and only the knights and dragons have a chance at ending it before it destroys their land and their lives.

This book has been revised for rerelease.

Warning:

Contains dragons, their sexy knights and a damsel who is not quite in distress. Sizzling hot m/f/m scenes may leave you breathing fire.
