**Quickbooks 2014: A Complete Course (15th Edition)** By Janet Horne

*QuickBooks® 2014: A Complete Course* is intended for use in a one-term course in microcomputer accounting. No prior knowledge of or experience with computers, Windows, or QuickBooks is required; however, an understanding of accounting is essential to successful completion of the coursework.

Designed to present accounting concepts and their relationship to *QuickBooks 2014*, this text uses fictitious companies to provide hands-on training while it introduces major accounting concepts.

*QuickBooks 2014: A Complete Course* is a comprehensive instructional learning resource. The text provides training using the *QuickBooks® Premier Accountant 2014* accounting program. While the text was written using the 2014 Accountant's version of QuickBooks Premier, it may be used with the Pro version of the program as well. (Because of the many differences between the Windows and Mac versions of QuickBooks, this text should not be used for training using QuickBooks for the Mac.)

- **Provide a Real-World Experience with Extensive Hands-On Material:** This text provides students with ample opportunity to apply the concepts presented in the text and software
- **Explore the Many Features of QuickBooks using an Innovative Approach:** With thorough exploration of the program in the text, students should be able to transition from training to using QuickBooks 2014 in an actual business.
- **Keep your Course Current:** This edition reflects the latest version of QuickBooks along with several changes, enhancements, and new features.
