

The Cambridge Companion to C. S. Lewis (Cambridge Companions to Religion)

From Cambridge University Press

The Cambridge Companion to C. S. Lewis (Cambridge Companions to Religion) From Cambridge University Press

A distinguished academic, influential Christian apologist, and best-selling author of children's literature, C. S. Lewis is a controversial and enigmatic figure who continues to fascinate, fifty years after his death. This Companion is the first comprehensive single-volume study written by an international team of scholars to survey Lewis's career as a literary historian, popular theologian, and creative writer. Twenty-one expert voices from Oxford, Cambridge, Princeton, and Wheaton, among many other places of learning, analyze Lewis's work from theological, philosophical, and literary perspectives. Some chapters consider his professional contribution to fields such as critical theory and intellectual history, while others assess his views on issues including moral knowledge, gender, prayer, war, love, suffering, and Scripture. The final chapters investigate his work as a writer of fiction and poetry. Original in its approach and unique in its scope, this Companion shows that C. S. Lewis was much more than merely the man behind Narnia.

Editorial Review

Review

"In his superb introduction, MacSwain explains that the goal of this collection is to offer a fair, in-depth examination of Lewis's body of work—perhaps for the first time. (According to MacSwain US Evangelicals have a tendency to adore Lewis uncritically, whereas British literature professors and theologians tend to dismiss his work out of hand, in part because of its appeal) MacSwain and Ward (Univ of Oxford, UK) succeed in achieving this stated goal of critical evenhandedness. Readable both as individual essays and as part of a nuanced, book-length argument, the chapters offer an objective appraisal of Lewis's scholarship, his theological writings, and the literary merit of his novels and poetry. Among the best essays are Ann Loades's examination of Lewis's views of female clergy and his postmarriage reflections of romantic love in *A Grief Observed*; Jerry Walls's reinterpretation of *The Great Divorce*; and Judith Wolfe's exploration of why writer Philip Pullman believes that the Narnia novels promote violence and imperialism. A truly wonderful collection. Essential."

Choice

"The Cambridge Companion to C.S. Lewis succeeds in its purpose, scope, and coverage as a winsome, informative, and informed volume to accompany novice and veteran readers of Lewis in their pursuit of his insight and its source. Essays that both instruct and delight in Lewis studies are few; we can be grateful that under one cover, MacSwain and Ward have gathered so many."

VII: An Anglo-American Literary Review

"... the volume succeeds in bringing fresh insight. Lewis is engaged as a serious writer who sought thoughtful response, rather than applause from uncritical fans. One major strength is a thoroughgoing tendency to see Lewis's work as a whole, noting ways different books in different genre inform each other."

William Frantz, Anglican Theological Review

"... succeeds in conveying the richness and complexity of Lewis' thought with an appropriately commendable depth, clarity, and imagination."

Jason Wardley, The Expository Times

About the Author

Robert MacSwain is Assistant Professor in Theology and Christian Ethics, the School of Theology, University of the South, Tennessee. He is the co-editor, with Jeffrey Stout, of *Grammar and Grace* (2004), and, with Ann Loades, of *The Truth-Seeking Heart* (2006).

Michael Ward is Chaplain at St Peter's College, University of Oxford. He is the author of *Planet Narnia* (2008) and the co-editor, with Ben Quash, of *Heresies and How to Avoid Them* (2007).

Users Review

From reader reviews:

Jack Unger:

Nowadays reading books become more and more than want or need but also turn into a life style. This

reading routine give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book this improve your knowledge and information. The data you get based on what kind of guide you read, if you want send more knowledge just go with education and learning books but if you want really feel happy read one along with theme for entertaining such as comic or novel. The actual The Cambridge Companion to C. S. Lewis (Cambridge Companions to Religion) is kind of publication which is giving the reader erratic experience.

Bobby Tremblay:

Reading a guide tends to be new life style on this era globalization. With studying you can get a lot of information that will give you benefit in your life. Using book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Lots of author can inspire their very own reader with their story or even their experience. Not only the storyplot that share in the books. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors in this world always try to improve their talent in writing, they also doing some investigation before they write with their book. One of them is this The Cambridge Companion to C. S. Lewis (Cambridge Companions to Religion).

Rick Briones:

Playing with family in a very park, coming to see the coastal world or hanging out with buddies is thing that usually you have done when you have spare time, after that why you don't try matter that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The Cambridge Companion to C. S. Lewis (Cambridge Companions to Religion), it is possible to enjoy both. It is excellent combination right, you still want to miss it? What kind of hang-out type is it? Oh occur its mind hangout fellas. What? Still don't obtain it, oh come on its referred to as reading friends.

Karen Tullis:

This The Cambridge Companion to C. S. Lewis (Cambridge Companions to Religion) is great publication for you because the content which can be full of information for you who all always deal with world and get to make decision every minute. That book reveal it data accurately using great coordinate word or we can point out no rambling sentences inside it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but difficult core information with attractive delivering sentences. Having The Cambridge Companion to C. S. Lewis (Cambridge Companions to Religion) in your hand like obtaining the world in your arm, information in it is not ridiculous a single. We can say that no book that offer you world inside ten or fifteen moment right but this guide already do that. So , this is good reading book. Hello Mr. and Mrs. active do you still doubt in which?
