Editorial Review

Review

"Cambridge University Press has achieved another major success in its definitive editions of the prolific work of D. H. Lawrence, with the publication of The First and Second Lady Chatterley Novels, edited by Dieter Mehl and Christa Jansohn...this handsome single volume will encourage Lawrence enthusiasts to ponder compelling comparisons between these early versions and perhaps to speculate further on the relevant development of Lawrence's life, art, and doctrine through all three examples of a project that became for him a consuming and palimpsestic saga. The Cambridge publication of the earlier versions no doubt offers an important resource..." English Literature in Transition 1880-1920
