**The World According to Danny Dyer: Life Lessons from the East End** By Danny Dyer

'I've had an up and down life - and I've tried to write down some of the stuff I've learned along the way . . . straight from the nag's gob.'

From running wild with a gang of mates around the rough and ready streets of Canning Town to getting engaged and landing the role of a lifetime as Mick Carter in *EastEnders*, it's fair to say that Danny Dyer has seen a thing or two. And he's not shy in telling you about it either. An East Enders born and bred, Danny takes this opportunity to reflect on life, tackling such vital questions as 'Where have all the old school boozers gone?' 'Am I middle class?' 'Why is being sensitive an essential part of being an actor?' and reveals why it is that you can take the boy out of the East End, but you can't take the East End out of the boy.

Never one to mince his words, Danny serves his opinions straight up in this honest, funny and often surprising look inside his world.
