**World War One: History in an Hour** By Rupert Colley

Love history? Know your stuff with History in an Hour.

The ‘Great War’, from July 1914 to November 1918, was without parallel. It brought to an end four dynasties, ignited revolution, and forged new nations. It introduced killing on an unprecedented scale, costing an estimated nine million lives. It was the war that destroyed any notion of romance or chivalry in battle; it pulled in combatants from nations across the globe and shattered them, body and mind.

The War involved all of the world’s great powers – the Central Powers, dominated by Germany and Austria-Hungary; the Triple Entente, lead by Britain, France and Russia; and America. World War One: History in an Hour explains the unprecedented battles on land, sea and in the air and describes the Home Front, espionage, and the politics behind them. This, for the first time in history, was ‘total war’.

### Editorial Review

#### Review

'If the past is a foreign country, History in an Hour is like a high-class tour operator, offering delightfully enjoyable short breaks in the rich and diverse continent of our shared past' Dominic Sandbrook 'The practice of History is ever-evolving, and the History In An Hour idea brings it back up to date for the digital age' Andrew Roberts, Bookseller 'This is genius' MacWorld.com

#### About the Author

Rupert Colley was born one Christmas Day, which means, as a child, he lost out on presents. Nonetheless, looking back on it, he lived a childhood with a "silver spoon in my mouth" - brought up in a rambling manorhouse in the beautiful Devon countryside. It's been downhill ever since.

He was a librarian for a long time, a noble profession. Then he started a series called History In An Hour, "history for busy people", which he sold to HarperCollins UK.

He now lives in London with his wife, two children and dog (a fluffy cockapoo) and writes historical fiction, mainly 20th century war and misery. Historical fiction with heart.

### Users Review

#### From reader reviews:

##### **Megan Snyder:**

What do you think about book? It is just for students as they are still students or it for all people in the world, what the best subject for that? Merely you can be answered for that concern above. Every person has diverse personality and hobby for each and every other. Don't be obligated someone or something that they don't would like do that. You must know how great and also important the book World War One: History in an Hour. All type of book is it possible to see on many sources.
