Inspiration and information to build the bathroom of your dreams

This is the first bathroom remodeling book to fully address every phase of the process, including inspiration, design and execution. *Black & Decker The Complete Guide to Dream Bathrooms* features luscious photos of on-trend baths containing the fixtures, colors and special touches that are in demand right now. But unlike most inspirational books, it doesn't stop there. This book ventures a step further to show readers precisely how to translate their dreams into a concrete plan that makes sense. Finally, more than half of the book is devoted to giving shape to those plans with tools, materials and sweat equity. Packed with step-by-step color photos, the book tackles dozens of common bathroom remodeling projects that just about any do-it-yourself can accomplish.

This revision of *Black & Decker The Complete Guide to Bathrooms* retains the hardworking and highly detailed information that made the original version one of the all-time top-selling bathroom books for DIYers. The book also puts a fresh focus on subjects and products that are on the cutting edge of bathroom design, such as installing low-flow fixtures, bidets, jetted bathtubs, and even how to install a water-saving urinal.
