Editorial Review

From the Back Cover

The "Bible" of compensation--in a new revised edition. When compensation and human resources professionals need guidance, they turn to The Compensation Handbook. For almost 30 years, The Compensation Handbook has been recognized as the most authoritative reference in the field, providing simple, direct answers to every important problem in compensation. In the current, highly competitive market for employees, no book could be more timely than this Fourth Edition of The Compensation Handbook. Edited by experts Lance and Dorothy Berger, it features 75% completely new material showing you how to attract, retain, and motivate the key employees and executives your business needs. The Compensation Handbook provides: coherent strategies and well-orchestrated planning guidelines for all aspects of compensation; data and guidance from more than 50 top leaders in the field; up-to-date help with base compensation, variable compensation, executive compensation, performance and compensation, compensation and corporate culture, and international compensation; worksheets, checklists, evaluation forms, and other useful instruments; much more. The most informative and authoritative reference on compensation--period--The Handbook of Compensation belongs within arm's reach of any professional who works in the field.

About the Author

Lance A. Berger is CEO of Lance A. Berger & Associates, Ltd., a management consulting firm specializing in compensation and change management. A former general partner for the largest compensation practice worldwide at the Hay Group, he wrote and edited (with Milton Rock) The Compensation Handbook, Third Edition. He also wrote The Change Management Handbook: A Road Map to Corporate Transformation and Deengineering the Corporation: Leading Growth from Within. He has been a featured speaker at the United Nations, The Conference Board, American Management Association, and the American Compensation Association. Dorothy R. Berger is managing director of Haverford Business Press, a firm specializing in the development of business publications. She edited The Change Management Handbook, Deengineering the Corporation, and is the for The Change Manager newsletter.

Users Review

From reader reviews:

Teddy Mendoza:

In other case, little people like to read book Handbook of Wage and Salary Administration. You can choose the best book if you love reading a book. Given that we know about how is important a new book Handbook of Wage and Salary Administration. You can add understanding and of course you can around the world by a book. Absolutely right, due to the fact from book you can recognize everything! From your country right up until foreign or abroad you will end up known. About simple point until wonderful thing it is possible to know that. In this era, you can open a book as well as searching by internet product. It is called e-book. You can utilize it when you feel bored stiff to go to the library. Let's examine.

Herbert Knight:

Book is written, printed, or created for everything. You can realize everything you want by a reserve. Book has a different type. As we know that book is important factor to bring us around the world. Alongside that you can your reading talent was fluently. A book Handbook of Wage and Salary Administration will make you to be smarter. You can feel a lot more confidence if you can know about every thing. But some of you think this open or reading any book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you seeking best book or appropriate book with you?

Miguel Sherman:

People live in this new moment of lifestyle always try and and must have the extra time or they will get lots of stress from both everyday life and work. So , once we ask do people have extra time, we will say absolutely without a doubt. People is human not just a robot. Then we consult again, what kind of activity have you got when the spare time coming to you actually of course your answer may unlimited right. Then ever try this one, reading textbooks. It can be your alternative with spending your spare time, typically the book you have read is Handbook of Wage and Salary Administration.

Erik Figaro:

As we know that book is important thing to add our expertise for everything. By a reserve we can know everything we really wish for. A book is a pair of written, printed, illustrated or even blank sheet. Every year seemed to be exactly added. This e-book Handbook of Wage and Salary Administration was filled regarding science. Spend your free time to add your knowledge about your science competence. Some people has diverse feel when they reading a book. If you know how big good thing about a book, you can truly feel enjoy to read a guide. In the modern era like currently, many ways to get book that you simply wanted.
