### Mastering British Politics (Macmillan Master Series) By F. N. Forman

This essential book contains all the information and analysis needed to understand British politics. The third edition has been extensively re-written and up-dated. New material has been added throughout and more emphasis is given to the European context of British politics. Mastering British Politics is easy to read and clearly explained, avoiding difficult or over-technical language, and is packed with examples and questions. Also ideal for anyone wanting to know how the British political system really works.
