## Editorial Review

From Publishers Weekly

In Maberry's audacious third novel featuring Department of Military Science agent Joe Ledger (after *The Dragon Factory*), Joe must stop a cult bent on overthrowing the world order. Though Ledger is unofficially retired, a terrorist attack that levels the Royal London Hospital killing thousands compels him to return to action. The London tragedy proves to be just the opening move in a meticulously planned plot. When a viral research facility in Scotland is compromised, the Bombay Stock Exchange is bombed, and Ledger himself is almost killed by assassins, he and his DMS cohorts quickly realize that they're up against a terrorist group with virtually unlimited resources—about which they know little except its name, the Seven Kings. Powered by a cast of over-the-top characters, breakneck pacing, nonstop action, and a subtle sense of humor, this is an utterly readable blend of adventure fiction, suspense thriller, and horror. Following *The Dragon Factory* (2010), Maberry cranks up the intensity level once again with his new Joe Ledger thriller. A London hospital explodes, killing thousands. This act of terrorism is only the beginning as the group behind the explosion turns to bioweapons in an effort to unleash a modern version of the biblical Ten Plagues of Egypt. Ledger, beaten and distraught over a heartbreaking loss, has quit the antiterrorism business but reluctantly must jump back into the game, charged with nothing less than saving the world. As events unfold, allies prove to be traitors, and traitors become allies. To throw off the authorities, the terrorist group begins utilizing civilians to handle the dirty work. The publisher bills the novel as horror, but the story, horrifying as it is, definitely belongs in the thriller camp. It's also Maberry's best book to date. The ending guarantees a sequel that will be anxiously awaited by series fans. --Jeff Ayers

Review

**"Breakneck pacing, nonstop action, and a subtle sense of humor, this is an utterly readable blend of adventure fiction, suspense thriller, and horror." - Publishers Weekly**

**"A fast-paced, brilliantly written novel. The hottest thriller of the New Year! In *The King of Plagues*, Jonathan Maberry reigns supreme." -- Brad Thor, #1 New York Times bestselling author of *The Athena Project***

**"Joe Ledger and the DMS are back in their most brutal tale yet as they face off against a diabolical organization who is always one step ahead. As the sinister plot is exposed and the body count rises, *THE KING OF PLAGUES* is impossible to put down. Be prepared to lose some sleep." – Jeremy Robinson, author of *THRESHOLD* and *INSTINCT***

**"While most are content to sleepwalk through the third book in a successful series, Jonathan Maberry wages all-out destructive war on complacency. *'The King of Plagues'* expands the Joe Ledger universe, deepens existing characters while introducing bold new ones, and unleashes a runaway brain of a thriller plot turbocharged with a depraved spirit of invention. Next to Joe Ledger, Jack Bauer, Fox Mulder and Jason Bourne are rank amateurs." - Javier Grillo-Marxuach, Emmy Award winning writer/producer, *'Lost,' 'Medium,' 'The Middleman.'***
