Barriers and Boundaries: The Horoscope and the Defences of the Personality By Liz Greene

This book explores the fundamental issue of how we defend ourselves against conflict and suffering through characteristic psychological mechanisms reflected in the natal chart. Both the pathological dimensions of defences and their creative contribution to the personality are carefully explored through the zodiac signs and through the multi-levelled planetary symbols Saturn and Chiron, to reveal the many ways in which we both protect and injure ourselves when confronted with what we experience as life's threatening face.
