**Crystal Oversoul New Earth Attunements: 22 Healing Cards, Book, & 2 Meditation Audio CDs (Crystal Oversoul Attunements) By Michael Eastwood**

And so the journey continues... *The Crystal Oversoul Attunements*, published by Findhorn Press, explored 44 crystalline beings of consciousness through a series of mandalas, meditations and writings on their role in our unfolding journey. This set is a continuation, an extension of that journey starting with card number 45 continuing to card 66, along with audio recordings that accompany each of the attunements.

While Michael Eastwood was writing *Crystal Oversoul Attunements*, the Oversouls made it known that cards 1 to 44 would need to be released first, and that cards 45 to 66 should follow later. When he enquired as to why the cards 45 to 66 would need to wait, they answered “the first 44 mandalas and writings explore humanity’s evolutionary on-going journey from the end of one cycle into another entirely new paradigm. The first 44 mandalas supported humanity’s initiation known as the Great Turning of 2012 that would in itself birth the New Earth”.

Michael understands this to mean that, once humanity’s initiation had been passed, the next set of Oversouls could be born. The new Oversouls could only make themselves visible through our understanding once the initiation had occurred and been integrated.

The Oversouls further enhanced upon this “Each of the attunements that make up the information in this set are in their own way here to help you as you navigate your way through the energies of the New Earth. You will notice times when your life-force feels stuck, heavy or restricted - each of the Oversouls are here to support you through these times. For these unsettling or deeply uncomfortable feelings are signals that your energy has slipped back or has been pulled back by the energies of the Old Earth. The attunements are here to assist you getting yourself unstuck, releasing the old energy and getting into the correct dimensional reality.” Here they are, 22 new crystalline mandalas, writings and

audio recordings that offer guidance as the New Earth reaches up, unfolds and welcomes us.

#### Review

The Crystal Oversouls New Earth Attunements provides each of you reading this book with the opportunity to reactivate these inner grids without leaving your armchair. The sacred sites are entwined into this book which allows you to do this sacred activation work wherever you are by just reading. Michael's connection with the Oversouls of gemstones is profound. You will find yourself in sacred temples, in glorious robes accompanied by sight, scents, and sounds to activate a heightened sense of awareness. The manner in which this work is delivered here draws you into a world where you actually feel like you are personally receiving the attunement. -- Margaret Ann Lembo, author of *Chakra Awakening* Michael Eastwood, with his beautifully creative cards representing crystals and how each relate to the current issues humanity is facing now, shows us how each card attunes to the messages and energies of Oversouls who wish to help us align to higher vibrations for the aura and chakras so we can best be supported as extensive changes continue to move us towards The New Earth. In viewing and reading the messages that accompany each card and listening to the Cd's, you may be assisted in anchoring the light of higher universal wisdom into your physical life. USE THESE CARDS to navigate the energies of The New Earth, which encourages us all to look beyond the fears or traumas of past life situations and to live at a higher level of consciousness and awareness of the possibilities for creating a life where we are not stuck, heavy or restricted in any way, by the actions or thoughts of others and may access our inner essence to support us using the universal values of Spirit. The New Earth experience of love, greater light and communication between people and nations is inevitable and more and more people will awaken to the positive reality that can and will be created. -- Sheryl Glick, RMT, host of *Healing from Within* Created by a leading authority on crystals, this deck continues with his popular set of cards that explored the 44 crystalline beings of consciousness through a series of beautiful mandalas, meditations and writings explaining their role in our unfolding journey. Now this new set of cards extends that journey with card numbers 45 to 66 and this time includes audio recordings to accompany each of the attunements. -- Martin Gill *Yoga Magazine* Michael Eastwood continues to be one of my favorite authors. His material always takes me to a new place... a place that I didn't even know existed. These cards are beautiful and the information about the oversouls is amazing. -- Susan T. Kinsman *Amazon* The Oversouls (divine spirits within crystals), visit us once more in Michael Eastwood's latest deck, a follow-up to his *Crystal Oversoul Attunements*. Yet it doesn't matter if you don't own the preceding deck - you can choose any card you are drawn to and connect with its consciousness through Michael's channeled wisdom in the guidebook and CDs. Each of the cards bears a crystalline mandala for contemplation. The CD track for that crystal acts as an attunement to its energy, which is an aspect of the emerging New Earth consciousness, while the guidebook offers an essay on each crystal, including channeled wisdom from the Oversoul of each one. Perfect for healers and other lightworkers seeking a crystal path to the new consciousness. Kindred Spirit
