### Diablo (The Texans Book 1) By Georgina Gentry

Meet the Texans--rough-hewn heroes as bold and rugged as the Lone Star State itself--in a sweeping new series only Georgina Gentry could bring to heart-pounding, hard-riding life. . .

#### Diablo

They call him "Devil," and with good reason. The half-breed Santee Sioux bears the twisted scars that made him the fastest, deadliest gunfighter in Texas. Diablo will never forget the kind cattleman who once took him in, but it is his torturer who haunts his every thought. And when some powerful Wyoming ranchers come looking to hire ruthless men for a wicked job, Diablo seizes the opportunity to settle a score. . .

Her name is Sunny, and she more than lives up to it. She's a dazzling ray of light--and the bride-to-be of Hurd Kruger, the man who scarred Diablo. What better way to destroy Kruger than to capture, dishonor, and dump his greatest prize? It's a perfect plan, except for the one thing Diablo never counted on. . .the only thing that could turn him away from the dark side, the angel who could save his bedeviled soul. . .

"Gentry brings the West and her characters to life and give her fans hours of true reading pleasure."---*Romantic Times*

## **Editorial Review**

From Publishers Weekly

Launching a new series, western romance writer Gentry (*To Seduce a Texan*) sets an unlikely, blood-soaked love affair in late 19th-century Wyoming. The son of a white woman raped by a Sioux warrior, Diablo is a gunfighter-for-hire plotting revenge against wealthy rancher Hurd Kruger and his men, who gang-raped and tortured Diablo 15 years before. After murdering Kruger's hired hands and stealing his prized possessions, Diablo kidnaps beautiful, obedient Sunny Sorrenson, Kruger's reluctant fiancée. Initially insipid, Sunny becomes a much more interesting character as she begins to see the good in Diablo, and their passion blazes like the Texas sun. Gentry's setting is compelling and readers will celebrate Diablo's redemption, but the romance and happy ending are undermined by numerous scenes of brutal bloodshed and references to sexual violence. (*Feb.*)

He Not Worthy of a Name has finally gotten a lucky break. Made a slave of the Santee Sioux after his Native American father was hung for raping his white mother, the abused 13-year-old finally escapes and heads for the Promised Land called "Texas"; but when Trace Durango discovers him, sadistic ranchers have branded his face until it was scarred beyond recognition. Trace and his wife nurse He Not Worthy of a Name back to health, and even teach him how to use a gun. Intent on revenge, the teen becomes the feared gunfighter known as "Diablo." There's only one chink in Diablo's armor—he's in love with Sunny, but her initial reaction to the maimed outlaw is horror. Gentry has cleverly given the Beauty and the Beast tale a western twist by setting it during the 1892 range wars in Wyoming. Readers who enjoy this book will also like Lorraine Heath's poignant *Texas Glory* (1998), another western featuring a wounded hero. --Shelley Mosley

## **Users Review**

**From reader reviews:**

**Kathryn Glover:**

Now a day individuals who Living in the era just where everything reachable by match the internet and the resources in it can be true or not demand people to be aware of each details they get.
