**The Death Cure (The Maze Runner, Book 3) By James Dashner**

*It's the end of the line.*

WICKED has taken everything from Thomas: his life, his memories, and now his only friends—the Gladers. But it's finally over. The trials are complete, after one final test.

*Will anyone survive?*

What WICKED doesn't know is that Thomas remembers far more than they think. And it's enough to prove that he can't believe a word of what they say.

*The truth will be terrifying.*

Thomas beat the Maze. He survived the Scorch. He'll risk anything to save his friends. But the truth might be what ends it all.

*The time for lies is over.*
