### The Facts of Life: and Other Dirty Jokes By Willie Nelson

If you had to give America a voice, it's been said more than once, that voice would be Willie Nelson's. For more than fifty years, he's taken the stuff of his life—the good and the bad—and made from it a body of work that has become a permanent part of our musical heritage and kept us company through the good and the bad of our own lives. So it's fitting, and cause for celebration, that he has finally set down in his own words a book that does justice to his great gifts as a storyteller. In **The Facts of Life**, Willie Nelson reflects on what has mattered to him in life and what hasn't. He also tells some great dirty jokes. The result is a book as wise and hilarious as its author.

### Editorial Review

From Publishers Weekly

Beginning with a request to preteens to "please only read every third word," Willie Nelson proceeds to reveal his thoughtful, hilarious, raunchy inner world in his memoir *The Facts of Life: And Other Dirty Jokes*. As the title promises, the book is full of jokes, often preceded by no more introduction than, "Rinky wanted me to tell you this joke...." And, yes, some of them are fairly dirty. Other topics Nelson ruminates on include the stock market, the relative amounts of money Tiger Woods and Michael Jordan make from endorsements, the origins of the term "Outlaw Music," the virtues of dairy products and his favorite Biblical lines (e.g., "Physician, heal thyself"). Non sequitur follows kooky non sequitur in this delightfully irreverent glimpse into the mind of an American classic. Fans and readers with ADD will love it. Photos not seen by PW. (on sale Jan. 8)

From [Booklist](#)

"Shotgun Willie sits around in his underwear," one of country songster Nelson's ditties begins, and the line evokes the feel of this loose little book to a T. Nelson wrote the prose in it while his bus carted him and his band and crew from coast to coast on a performance tour. Said prose consists of minuscule memoirs; cracker-barrel philosophizing; a bit of stem-winding for small farmers (Nelson is a stalwart of the Farm Aid concerts); and lots of jokes, usually dirty, as promised, and also stunningly politically incorrect, which means they are often pretty funny. But if the book consisted solely of Nelson's journaling, it would be, oh, 200 pages shorter, maybe more. Photos depicting Nelson's long passage from Texas toddler to the long-haired, pot-puffing, jogging old Nashville outlaw he is today and lots of lyrics from his 50-year stash of songs fill out the volume. For anyone who loves Nelson's act, there's nothing not to love about this hayseed-speckled gossamer of a book. *Ray Olson*

Review

"Who knew the world's best-loved country singer had such a good sense of humor?" —*Texas Monthly*

"You can't not like Willie Nelson." —*The San Diego Union-Tribune*

"Pure Willie Nelson...equal parts minstrel, scoundrel, and cowboy—and all of it's genuine." —*The Washington Times*

### Users Review

From reader reviews:

**Robert Miller:**

A lot of people always spent all their free time to vacation or even go to the outside with them household or their friend. Do you know? Many a lot of people spent that they free time just watching TV, or maybe playing video games all day long. If you would like try to find a new activity here is look different you can read some sort of book. It is really fun for you personally. If you enjoy the book that you read you can spent the whole day to reading a e-book. The book *The Facts of Life: and Other Dirty Jokes* it is rather good to

read. There are a lot of folks that recommended this book. We were holding enjoying reading this book. Should you did not have enough space to create this book you can buy often the e-book. You can more easily to read this book from your smart phone. The price is not to cover but this book provides high quality.

**Julio Yates:**

The reason why? Because this The Facts of Life: and Other Dirty Jokes is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will surprise you with the secret that inside. Reading this book adjacent to it was fantastic author who else write the book in such incredible way makes the content inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of benefits than the other book have got such as help improving your talent and your critical thinking approach. So , still want to delay having that book? If I have been you I will go to the e-book store hurriedly.

**David Waymire:**

Playing with family within a park, coming to see the coastal world or hanging out with close friends is thing that usually you might have done when you have spare time, subsequently why you don't try matter that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love The Facts of Life: and Other Dirty Jokes, you can enjoy both. It is great combination right, you still need to miss it? What kind of hangout type is it? Oh come on its mind hangout guys. What? Still don't understand it, oh come on its called reading friends.

**Richelle Johnson:**

Do you like reading a publication? Confuse to looking for your selected book? Or your book has been rare? Why so many problem for the book? But any people feel that they enjoy regarding reading. Some people likes looking at, not only science book but also novel and The Facts of Life: and Other Dirty Jokes or perhaps others sources were given information for you. After you know how the truly great a book, you feel need to read more and more. Science book was created for teacher or even students especially. Those publications are helping them to increase their knowledge. In additional case, beside science e-book, any other book likes The Facts of Life: and Other Dirty Jokes to make your spare time a lot more colorful. Many types of book like this.
