The Forgotten Books of Eden By Rutherford H. Platt Jr.

This is a popularized translation of the OT pseudepigrapha, quasi-Biblical writings which never achieved canonical status (or inclusion in any of the official Apocrypha). For one reason or another they were not considered part of the Biblical text by the first millennium (C.E.) compilers. This book contains translations of all of the texts found in volume I of the weighty Oxford University Press Apocrypha and Pseudepigrapha, without any of the apparatus. This includes such fascinating texts as the Book of Adam and Eve, the Book of the Secrets of Enoch, the Story of Ahikar, and the Testaments of the 12 Patriarchs.-- J.B. Hare

Editorial Review

From the Back Cover

Editor RUTHERFORD HAYES PLATT, JR. (1894-1975) originally brought this work to light in 1926. In The Forgotten Books of Eden, he has collected a number of apocryphal biblical writings. The authors of these works are unknown, having hidden themselves behind the names of the great religious legends that they wrote about. The works found here are not even considered part of the official "Apocrypha," despite their timeless wisdom and helpful additions to Christian, Jewish, and Islamic understanding and lore.

The book opens with The First Book of Adam and Eve, originally written by an unnamed Egyptian and copied into many other languages over the centuries. Also included in this book are:

- * The Second Book of Adam and Eve
- * The Secrets of Enoch
- * The Psalms of Solomon
- * The Odes of Solomon
- * The Letter of Aristeas
- * The Fourth Book of Maccabees
- * The Story of Ahikar
- * The Testament of Reuben
- * and many more...

Users Review

From reader reviews:

Marvin Smith:

As people who live in the particular modest era should be change about what going on or details even knowledge to make these people keep up with the era that is always change and move ahead. Some of you maybe will certainly update themselves by reading books. It is a good choice in your case but the problems coming to an individual is you don't know what type you should start with. This The Forgotten Books of Eden is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

Myron Mendez:

Do you one among people who can't read pleasurable if the sentence chained in the straightway, hold on guys this specific aren't like that. This The Forgotten Books of Eden book is readable by means of you who hate the perfect word style. You will find the facts here are arrange for enjoyable reading through experience without leaving also decrease the knowledge that want to supply to you. The writer involving The Forgotten Books of Eden content conveys thinking easily to understand by a lot of people. The printed and e-book are not different in the information but it just different as it. So , do you nevertheless thinking The Forgotten Books of Eden is not loveable to be your top record reading book?

Jean McCallum:

Why? Because this The Forgotten Books of Eden is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will distress you with the secret that inside. Reading this book next to it was fantastic author who all write the book in such amazing way makes the content inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this anymore or you going to regret it. This book will give you a lot of positive aspects than the other book have got such as help improving your expertise and your critical thinking approach. So , still want to hesitate having that book? If I were you I will go to the publication store hurriedly.

Rachel Morris:

Playing with family inside a park, coming to see the marine world or hanging out with close friends is thing that usually you may have done when you have spare time, in that case why you don't try point that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The Forgotten Books of Eden, you are able to enjoy both. It is excellent combination right, you still want to miss it? What kind of hang-out type is it? Oh seriously its mind hangout people. What? Still don't have it, oh come on its referred to as reading friends.
