Editorial Review

From [Booklist](#)

For more than 30 years, Williamson, a student and teacher of the spiritual “discipline” called A Course in Miracles, has been distilling the guide’s dense texts for a general audience. Her seminal piece, *A Return to Love* (1992), remains a classic of spirituality writing, and in subsequent books, she has used parts of that original volume to show how the Course can be applied to such diverse problems as reshaping America and even losing weight. Here the task is to explain how the Course’s core principles—everything but love is an illusion, and letting go of fear and shifting one’s trust into a loving state produce miracles—apply to people who are broke and broken. Williamson’s easy, caring writing style makes almost anything seem possible, and here it is used to best advantage to rethink issues about why people continue to have doubts even under the best of financial conditions. The take here is that while today’s circumstances make it easy to believe in scarcity rather than abundance, in spirit there is never a lack of possibility. The rest of the book goes on to “prove” this is true and offer ways to incorporate more positive thinking into one’s life. Fans will appreciate this approach; unbelievers will scoff; but those in the middle, given Williamson’s gentle power of persuasion, might say, “It can’t hurt.” **HIGH-DEMAND BACKSTORY:** Most of Williamson’s books have been best-sellers, and she’s a familiar media face who knows how to attract an audience. --Ilene Cooper

Review

“Author, activist, and spiritual leader Marianne Williamson is often considered one of the defining voices for a new generation of spiritual seekers.” (Spirituality and Health magazine)

“Williamson may be the most renowned spiritual activist and author teaching spiritual principles based on *A Course in Miracles*. This latest book... addresses the ways we attract miracles or deflect them... with a focus on the particular attitudes that will pave the way to material abundance.” (Publishers Weekly)

“Williamson focuses on what defines meaningful work and how our jobs can be an extension of our spirituality. As she teaches ... the sense of endless possibility to reshape our lives unfolds.” (Huffington Post)

“*The Law of Divine Compensation* assures us that everything will be all right since the universe is set up to work for us. ... We are challenged to believe that miracles do happen and what is lacking can become abundant.” (Spirituality and Practice)

“Williamson’s easy, caring writing style makes almost anything seem possible, and here it is used to best advantage.” (Booklist)

“If you have trouble allowing money to flow abundantly into your life, by all means, pick up a copy of Marianne Williamson’s new book *The Law of Divine Compensation*. ... This wonderful book... will help you shift your perceptions around money, work, and wealth. (Law of Attraction magazine)

In *The Law of Divine Compensation*, the *New York Times* bestselling author Marianne Williamson provides a unique perspective on our financial condition,... revealing a path to abundance by way of a powerful spiritual principle called the Law of Divine Compensation. (*Edge Magazine*)

“Marianne conveys her principals in such a way that makes my brain simultaneously jolt to life with

excitement and my soul sigh with deep, profound relief.” (Gaia TV Blog)

From the Back Cover

In *The Law of Divine Compensation: On Work, Money, and Miracles* the #1 *New York Times* bestselling author Marianne Williamson provides a unique perspective on our financial condition through the lens of *A Course in Miracles*. She reveals a path to abundance by way of a powerful spiritual principle called the Law of Divine Compensation. The Law says that when we lack faith in our higher selves and focus on the negative, we create and perpetuate our own negative circumstances; conversely, when we have faith in God and in love and all that can go right in our lives, we open ourselves to receive the miracles the universe is holding for us.

While millions have suffered heartbreaking and seemingly intractable financial woes, every one of us possesses the power to believe that something else is possible, that our destinies can change, that a miracle can happen. This simple shift in how we think can have a monumental effect on what happens next.

In *The Law of Divine Compensation* you will discover how the power of your thoughts can attract—or deflect—miraculous breakthroughs in your life. Williamson reveals that the Law is not about hoping, dreaming, or wishing we'd win the lottery; rather it is about faith as a mental and emotional muscle we must exercise in order to benefit from. This powerful spiritual principle will help us overcome financial stress and unleash the divine power of abundance. If we have faith in God's promise of prosperity for all, we need never fear the future.

Users Review

From reader reviews:

Frank Wimmer:

Here thing why that The Law of Divine Compensation: On Work, Money, and Miracles are different and dependable to be yours. First of all reading through a book is good but it depends in the content than it which is the content is as delicious as food or not. The Law of Divine Compensation: On Work, Money, and Miracles giving you information deeper as different ways, you can find any guide out there but there is no publication that similar with The Law of Divine Compensation: On Work, Money, and Miracles. It gives you thrill reading journey, its open up your eyes about the thing that happened in the world which is might be can be happened around you. You can bring everywhere like in recreation area, café, or even in your method home by train. Should you be having difficulties in bringing the paper book maybe the form of The Law of Divine Compensation: On Work, Money, and Miracles in e-book can be your choice.

Bruce Parisien:

Information is provisions for people to get better life, information presently can get by anyone in everywhere. The information can be a know-how or any news even a problem. What people must be consider any time those information which is inside former life are hard to be find than now's taking seriously which one is acceptable to believe or which one often the resource are convinced. If you get the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take The Law of Divine Compensation: On Work, Money, and Miracles as your daily resource information.

Mary Larrick:

Reading a guide tends to be new life style in this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Having book everyone in this world can certainly share their idea. Books can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or perhaps their experience. Not only the storyline that share in the publications. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors these days always try to improve their expertise in writing, they also doing some analysis before they write on their book. One of them is this The Law of Divine Compensation: On Work, Money, and Miracles.

John Hill:

Is it you who having spare time in that case spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something totally new? This The Law of Divine Compensation: On Work, Money, and Miracles can be the reply, oh how comes? A book you know. You are therefore out of date, spending your time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?
