### 10 Commandments Twice Removed By Danny Shelton, Shelley Quinn

A backlash of attention to the Ten Commandments—unleashed by recent U.S. court rulings—rallied Christians in defense of its public display. Amid the crescendo of concern, a lone voice view for attention, "If you love Me, Keep My commandments" (John 14:15).

Is our defense of the Ten Commandments triggered simply by a sentimental interest of Christian culture? Is it possible the church stands before God as guilty as our government for discarding the Decalogue?

With unflinching conviction, the authors join their voices with great Christian leaders like Billy Graham, K.L. Moody, John Wesley, and Charles Spurgeon to trumpet the truth—God never revoked His Ten Commandments!

This book answers critical questions with compelling clarity and Bible evidence. Did the Ten Commandments exist before Mt. Sinai? Were they nailed to the cross? How do we demystify Paul's writing about the Law? Does man have authority to change God's Law?

Danny Shelton, founder of Three Angels Broadcasting Network, has also authored several books and has been hosting programs on 3ABN for 25 years.

Shelley Quinn is a Bible teacher, seminar speaker and author of the book Exalting His Word among others. She hosts a variety of programs on 3ABN, where she also serves as program development manager.
