### ECG Cases Pocket By Debabrata Mukherjee MD Facc

"Provides 60 examples of common clinical problems encountered in the wards, emergency room, or outpatient setting. Each ECG is preceded by a brief clinical history and pertinent physical examination findings, so that the tracings may be interpreted in the appropriate clinical context. Detailed answers concentrate on the clinical interpretation of the results and give advice on what to do. The convenient size of this book will enable medical students, nurses and other healthcare professionals to carry in their pockets, for use as a quick reference."
