Feedback (Variant Book 2) By Robison Wells

Perfect for fans of James Dashner's *The Maze Runner*, *Feedback* is the heart-stopping sequel to *Variant*—which Pittacus Lore, author of *I Am Number Four*, praised as "an intense journey with some of the most shocking twists and turns I've ever read."

Benson Fisher escaped from Maxfield Academy's deadly rules and brutal gangs. He thought that the worst was over.

But now Benson is trapped in a different kind of prison—a town filled with familiar faces. Classmates from Maxfield who Benson had seen die. Friends he was afraid he had killed.

They are all pawns in the school's twisted experiment, held captive and controlled by an unseen force. And while Benson struggles to figure out who, if anyone, can be trusted, he discovers that Maxfield Academy's plans are darker than anything he imagined—and they may be impossible to stop.

Editorial Review

From [Booklist](#)

If you haven't read Variant (2011)—and you should—tread cautiously into these spoiler-infested waters. Having escaped from the prison-like Maxfield Academy with the injured Becky, Benson comes across a town in the wilderness populated by the human versions of the teenage robots back at the school. What's more, these teens have a semi-psychic connection with their android counterparts, through which they can see, hear, and feel. One thing they can't do, however, is run because of the chips implanted in their brains. So Benson plots for a way to get them out from under the nefarious (and still quite mysterious) hand of Maxfield. In many ways, this is a remake of Variant, with Benson trying to outwit the overlords and head for freedom. However, the claustrophobic tightness of the first book is replaced here by a loose series of threats that never solidify into something worth rooting against. Newcomers will be thoroughly lost, but those who rightfully loved Variant will still hold on to hope—because the final scene has one doozy of a revelation.

Grades 8-11. --Daniel Kraus

Review

"An intense journey with some of the most shocking twists and turns I've ever read." (Pittacus Lore, #1 New York Times bestselling author of *I Am Number Four*)

"Picking up only moments after the first book ends, Feedback features the same nonstop, breathless pace, adding new dimension to old characters and new plot twists that are hard to see coming. An absorbing read that won't let fans of the first down." (Kirkus Reviews)

From the Back Cover

Benson Fisher escaped from Maxfield Academy's deadly rules and brutal gangs. The worst was over.

Or so he thought.

But now he's trapped on the other side of the wall, in a different kind of prison. A town filled with familiar faces. People from Maxfield who Benson had seen die. Friends he was afraid he had killed.

They are all pawns in the school's twisted experiment, held captive and controlled by an unseen force. And while Benson struggles to figure out who, if anyone, can be trusted, he discovers that Maxfield Academy's plans are darker than anything he imagined—and they may be impossible to stop.

Users Review

From reader reviews:

Anna Wright:

Have you spare time for a day? What do you do when you have a lot more or little spare time? That's why, you can choose the suitable activity for spend your time.
